Good Morning,

It is with a very heavy heart I am writing this morning to submit my resignation from the Holyoke School Committee effective July 29th.. I can honestly say I am proud of the work both myself and family have done with schools for the last 25 years... We never thought leaving Holyoke would be something we would do.. Truth is you can take the kid out of Holyoke but cannot take Holyoke out of the kid.. Although we are not moving far I would love to still be as involved as possible... I will always have a deep love for the families students and staff of the Holyoke Public schools.. You all have been so much apart of our story and I hope it continues in this next chapter...
