Petition for a Public Meeting on Rent Increases and Living Conditions in Holyoke

Target: Holyoke City Council

Rent keeps going up. Renters face dangerous living conditions in our homes – mold, needed repairs, rats, and more. This is happening across Holyoke, and we need the City to do something about it.

We need a conversation about the problems facing renters today with the Holyoke City Council. It only takes 50 signatures to get a public meeting with the Council -- so even 1 signature goes a long way.

Will you sign on to request a public hearing on rental housing with Holyoke City Council?

Note: This petition is for residents of Holyoke only.
