

CITY OF HOLYOKE

GRANT COMPLETION FORM

City of Holyoke Ordinance:
Sec. 2-509. - *Grant reporting.*

Any city department, of which has received grant funding by approval of the city council pursuant to Massachusetts General Laws, or any other authorizing criteria, shall within a reasonable period of time, but no later than 60 days from the conclusion of said grant, generate a detailed report which outlines the planned outcomes with the documented actual results. Said report shall be submitted to the city clerk for addition to the city council next agenda. Once city council has concluded its discussion of the report, it shall be posted on the city website for a minimum of two weeks for the general public.

1. Grant Information

Fund #0153, MassTrails Grant, Department of Conservation and Recreation

2. Grant Period

October 14, 2020- June 30, 2021

3. Grant Purpose

CT River Pathway Project had name change to Main Street-Springdale Corridor to clarify the corridor that the grant fund supported. The CT River Pathway compliments the ongoing plan for Rehabilitation of Route 5 from MassDOT, project number 604209, by creating a feasibility study of a shared-used pathway planned on the eastern side of Main Street. The project location is starting from 1117-1143 Main Street and ends at Springdale Park Entrance, 20 Jed Days Landing.

4. Total Budget

\$50,000.00

5. Actual Expenses

Nitsch Engineering total of \$50,000.00

\$40,000.00 from this grant

\$10,000.00 match out of OPED contracted services

6. Ending Fund Balance

-\$40,000.00

7. Grant Outcome

The City of Holyoke contracted Nitsch Engineering to complete the feasibility study. Nitsch Engineering with the assistance of the City of Holyoke hosted three different community outreach/public engagement strategies: online/printed survey, site walk on the corridor and virtual forum presentation to gather feedback, insight and concerns on safety, access and recreational needs along the corridor. Finally, the City of Holyoke has created a webpage to share the feasibility study, executive summary and recording of the virtual forum.
