HOW TO: Find a Health New England Provider Number

Visit healthnewengland.org and click on "Find a Provider" to access our provider directory or search for your provider's 5-digit provider number.

RACE & ETHNICITY

Why are these questions being asked?

The Commonwealth of Massachusetts has established statewide goals for improving health care quality and reducing racial and ethnic disparities in health care. Health New England wants to do our part to remove any barriers to fair and unbiased treatment for all of our members. By collecting information about your race and ethnic background, we may be able to identify possible issues that affect the care or treatment you receive. Health New England will then be able to work with our provider community to address any issues. We appreciate your assistance in this effort. This information is designed for the purpose of data collection and will not be used for determining eligibility, rating or claim payment. Health New England keeps this information confidential according to our policies and state and federal law.
