Annual Report

Dear Mr. Vega:

In accordance with the requirements of its Host Community Agreement with the city of Holyoke, and as a requirement of our Special Permit, the following is the annual report of Green Highland LLC;.

Green Highland LLC has been granted three provisional licenses for our intended facility at 26 Hadley Mill Road, Holyoke by the Cannabis Control Commission, these are;

Cultivation License

Manufacturing License

Retail License

Green Highland LLC is currently seeking investors to advance its project to the next phase of Architectural Review.

Subject to successful identification of investors, and subject to successful completion of the above review, Green Highland LLC hopes to achieve its Final License and attain permission to commence operations.

Green Highland LLC is not currently operational and has no employees.

Green Highland LLC is not currently operational and has no positive revenue for the year 2021.

Best Regards,

Mark Jarvis

P.p. George Zheng
