COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)  
SELF-CERTIFICATION FORM**

Information on annual family income is required to determine client eligibility for public services funded by the City of Jackson through the Community Development Block Grant (CDBG) program. Each client must indicate the number of persons in their family, and indicate whether total annual family income exceeds or falls below the listed figure for appropriate size family by indicating a check mark in the boxes below. Information provided is subject to verification by the agency providing services, the U.S. Department of Housing and Urban Development (HUD), and/or the City of Jackson.

NOTE: "Income" is the total annual income of all family members as of the date that federal-funded assistance is provided. Additional expected sources of income and the amount expected during the period of federal assistance must be included in this calculation of annual family income. All income for all persons in the family **must** be included in calculating family income whether or not the family member receives assistance.
