1	To Whom It May Concern: Pursuant to the Mississippi Public Records Act, I hereby request the following records: 1)	chasityeb@city.jackson.ms.us	04/08/2024 06:32 02 AM		Todd Feathers
	Copies of all user guides, handbooks, technical manuals, or comparable documents in the department's possession				
	regarding department facial recognition system(s). These systems are commonly provided by vendors including, but not				
	limited to, NEC, Dataworks Plus, Clearview AI, Cognitec, and others. The entirety of this request should be construed to				
	include facial recognition systems provided by commercial vendors or developed internally. 2) Copies of all audit logs				
	for the department's facial recognition system from Jan. 1, 2020 until the date this request is processed. Facial				
	recognition vendors commonly include daily, weekly, or monthly audit log capabilities in their products and the U.S.				
	Department of Justice recommends that all law enforcement agencies maintain audit logs for facial recognition systems				
	(see: https://it.ojp.gov/GIST/1204/Face-Recognition-Policy-Development-Template-For-Use-In-Criminal-Intelligence-and				
	Investigative-Activities). If the department's facial recognition system provides options for the time period covered in the				
	audit logs, I ask that you provide weekly logs (rather than daily, monthly, etc.). 3) All reports detailing aggregated				
	usage/transaction statistics for the department's facial recognition system from May 1, 2020 until the date this request is				
	processed. Commercial facial recognition systems include the ability to easily view these daily, weekly, or monthly				
	aggregate reports, which often detail the number of gueries per day, number of daily users, number of				
	photographs/facial templates uploaded to the database, etc. If the department's facial recognition system provides				
	options for the time period covered in the aggregate usage or transaction statistics, I ask that you provide daily reports				
	(rather than hourly, weekly, monthly, etc.). 4) Any documents (this includes screenshots of program dashboards)				
	detailing the number of photographs or facial templates included in the database linked to the department's facial				
	recognition system as of the date this request is processed. I ask that all fees be waived as I am a journalist (examples		1
