24-1016	<p>6/18/2024 Sent via records request portal (https://cityofjacksonms.nextrequest.com) Dear custodian of records, Under the Mississippi Public Records Act § 25-61-1 et seq., we are requesting an opportunity to inspect or obtain copies of the following records: All Master Inventories, Device Logs, and Audit Trails for all Tasers used by the Jackson Police Department since January 1, 2000, as they are stored on the Axon Evidence software (a.k.a. Evidence.com). When compiling these records, please include the following: Please provide all Master Inventories, which show the name of the officer responsible for each device and the serial number, asset tag decal number, model number, and purchase year & month for the Taser(s) assigned to each officer. The requested records can be exported using the Axon Evidence software. If your agency uses one or more Taser X26 & X26P models, please provide Device Logs and Audit Trails tracking the Date/time of event, Event type, Duration of trigger/ARC event, Duration of safe event, Internal temp for armed and safe events, Battery percentage, and Cartridge information for each Taser X26 and X26P device over the time period. Please also provide each device's Pulse Log and Pulse Graphs, which track the duration of every Taser X26/X26P discharge and the charge level of each pulse. If your agency uses Taser Cam HD Recorder with your Taser X26/X26P devices, please provide all logs tracking the activation of the cameras. The requested records can be exported as Evidence Files using the Axon Evidence software. If your agency uses one or more Taser X2 models, please provide Device Logs tracking the Date/time of event, Event type, Duration of trigger/ARC event, Duration of safe event, Internal temp for armed and safe events, Battery percentage, and Cartridge information for each Taser X2 device over the time period. Please also provide Audit Trails files for all Taser X2 models. Please also provide each device's Pulse Log and all Pulse Graphs, which track the duration of every Taser X2 discharge and the charge level of each pulse. If your agency uses Taser Cam HD Recorder with your Taser X2 devices, please provide any separate logs tracking the activation of the cameras. The requested records can be exported as Evidence Files using the Axon Evidence software. If your agency uses one or more Taser 7 models, please provide Armed Event Logs and Maintenance Logs for each Taser 7 device over the time period. Please also provide Audit Trails files for all Taser 7 models. Please include all of the following data points recorded in the Armed Event Logs: Safety moved to ARMED and SAFE, A cartridge was loaded into the Taser, Device trigger pulls, Arc switch activations, Weapon discharges, Cartridge deployments, Firmware version in use, Functional Test Mode activation, Power saving mode activation, Weapon time out and turn-off, Installed firmware version. Please include all of the following data points recorded in the Maintenance Logs: New battery insertion, Agency settings changed, and Functional tests. Please also provide each device's Pulse Log and Pulse Graphs, which track the duration of every Taser 7 discharge and the charge level of each pulse. If your agency uses Taser Cam HD Recorder with your Taser 7 devices, please provide all logs tracking the activation of the cameras. The requested records can be exported as Evidence Files using the Axon Evidence software. If your agency uses one or more Taser 10 models, please provide device logs, including both Training and Duty logs, which track Unholsters, Holsters, Battery insertions, Tests, and Armed modes for each Taser 10 device over the time period. Please also provide Audit Trails files for all Taser 10 models. Please also include Expanded Views of all events in the logs if they are not already included in the original logs. Expanded Views provide additional information about each event, including device triggers when in armed mode. Please also include all data tracking Cartridges Deployed, which are separate from but often associated with Device Logs. Please also include all Evidence File Summaries which provide an overview of each log. Please also provide each device's Pulse</p>	vrichard@jacksonms.gov	06/18/2024 12:16:33 PM	Police Department	Brian Howey
