24-1066	<p>I am requesting video footage from the fire truck from Station 28 (611 University Blvd) from around 1:20 PM- 1:30 PM on January 30, 2024. The accident happened on Universit Blvd not far from the fire station. I was struck from behind by a blue truck that is claiming that fire truck hit him, pushing his truck into me. I spoke with the firemen from that station and they said that they did not hit the truck, causing him to hit me from behind. The firemen mentioned that the fire trucks have cameras on the front of each truck and said that I could received video footage from the day of the accident. The insurance company from the driver of the blue truck that hit me from behind is not paying for the damage to my vehicle because the owner claims that the fire truck hit him, pushing him into my vehicle. I need the footage for the insurance company to pay for the repairs to my vehicle. I have attached the police report to this file. Please let me know if you need any additional information.</p>	vrichard@jacksonms.gov	06/25/2024 02:41:07 PM	Fire Department	Latasha Pusha
