24-1341	I am requesting the inspectors report for permit number RES-24-480. This was a permit request by Strength Roofing to replace my roof. I'm under the impression that a Claims Manager from Farm Bureau, my insurance provider, has requested this same information. Farm Bureau will not pay out my home owner claim until this report is provided. I spoke with Latonya Miller and she confirmed that the inspection and report have been completed and I could request it be provided through this portal. If as all possible, I'm requesting this document be expedited so that my insurance company can reimburse me for the cost that have been incurred. I greatly appreciate the help. 24-1338	I'm with Strength Roofing and Siding - we need an inspection report for a dwelling located at 2058 Cherokee Drive. Our permit application number is RES-24-480. The reason for the inspection report request is due to Farm Bureau stating the City of Jackson does not enforce IRC, even though the City of Jackson states they have adopted 2018 IRC. They are unwilling to pay for roofing items that are required by code since Farm Bureau states the City of Jackson does not enforce code. Farm Bureau states if we provide a report stating the dwelling has been inspected based on IRC guidelines, they will take consideration for paving for the required items.	jcline@city.jackson.ms.us	08/07/2024 10:08:25 A	Planning-Building Permits	Parker Fowler
