24-1289	Ms. Miller, Good morning. I am assisting with Ryan Saxton with an insurance claim regarding a reroofing at 2058 Cherokee Dr, Jackson, MS We received and thank you for your letter dated July 18, 2024, concerning permit number RES-24-480. It is our understanding from your letter that all jobs must be inspected and finalized with a City of Jackson inspector and general contractor onsite. This would indicate that the 2018 ICC Codes are being enforced. Would it be possible to provide us with any documents from the inspector that handled this permit and signed off on the work that was completed? Once we have this information, we will be able to assist Mr. Saxton with this portion of his claim. Thank you for your help with this matter. 24-1276	To whom it may concern: I'm trying obtain photos and video from the camera tower located in Sheppard Brother Park from last Friday, July 26th between 12:30pm and 3:30pm CST. My son had a 4 wheeler stolen from him during that time period and witnessed in the park stated the suspect walked right passed the tower. He was an African American male, approximately mid 20's in age. He was wearing boots, jeans and a Nike shirt. He was supposed to be buying the 4 wheeler from my son and asked if he could ride it around the part to make sure it was good. He then sped out of the park and did not return. My son has filed a report with JPD and this tower should show my son speaking with the officer when he arrived.
