OFFICE OF THE CITY ATTORNEY
JUL 12 2018

WHEREAS, the public health, safety or general welfare of the community may require that variances be granted in specific cases as set forth in City of Jackson Sign Ordinance, Sections 102-26, et seq., of the City of Jackson Code of Ordinances; and

WHEREAS, pursuant to Section 102-40, no action by the City Council may be taken concerning a variance from the sign regulations until after a public hearing in relation thereto, at which parties in interest and the general citizenry shall have an opportunity to be heard; and

WHEREAS, no variance from the Sign Ordinance shall be passed by the City Council unless and until an application seeking the variance is filed with the City's Signs and License Division, with such application containing, at a minimum, a legal description, location map, plot plan, the exact nature of the requested variance, the grounds upon which it is requested, and/or such other information as may be required by the Signs and License Division manager; and

WHEREAS, said variance application shall also demonstrate that:

1. Special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district;
2. The literal interpretation of the provisions of the Sign Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the provisions of the Sign Ordinance;
3. The special conditions and circumstances do not result from actions of the applicant; and
4. Granting the variance requested will not confer upon the applicant any special privilege that is denied by the Sign Ordinance to other similar lands, structures, or buildings in the same district; and

WHEREAS, Carmax, the applicant herein, has requested a variance from the Sign Ordinance regulations to erect a 115 sq. ft. monument sign on the same street frontage with an existing 199 sq. ft. ground sign at 35 ft. in height within a C-3 zone which only allows one ground/monument sign per street frontage.

IT IS THEREFORE, ORDERED that Carmax is hereby (*approved*) a variance from the Sign Ordinance regulations to erect a 115 sq. ft. monument sign on the same street frontage with an existing 199 sq. ft. ground sign at 35 ft. in height within a C-3 zone which only allows one ground/monument sign per street frontage, it being determined that the parties in interest and the general citizenry first had their opportunity to be heard and the applicant (**has**) met the necessary criteria for the requested variance.

IT IS FURTHER ORDERED that the City Council has considered the variance application and grants the variance requested therein based on a finding that special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district; the literal interpretation of the provision of the Sign Ordinance (*would*) deprive the applicant of rights commonly enjoyed by other properties in the same district under the provisions of the Sign Ordinance; the special conditions and circumstances do not result from actions of the applicant; and granting the variance requested (*will not*) confer upon the applicant any special privilege that is denied by the Sign Ordinance to other similar lands, structures, or buildings in the same district.

ORDER REQUESTING THE CITY COUNCIL REVIEW AND VOTE TO DENY THE SIGN VARIANCE REQUEST FOR CARMAX TO ERECT A 115 SQUARE FOOT MONUMENT SIGN ON THE SAME STREET FRONTAGE WITH AN EXISTING 199 SQUARE FOOT GROUND SIGN AT 35 FEET IN HEIGHT WITHIN A C-3 ZONE WHICH ONLY ALLOWS ONE GROUND/MONUMENT SIGN PER STREET FRONTAGE (WARD 2)

WHEREAS, the public health, safety or general welfare of the community may require that variances be granted in specific cases as set forth in City of Jackson Sign Ordinance, Sections 102-26, et seq., of the City of Jackson Code of Ordinances; and

WHEREAS, pursuant to Section 102-40, no action by the City Council may be taken concerning a variance from the sign regulations until after a public hearing in relation thereto, at which parties in interest and the general citizenry shall have an opportunity to be heard; and

WHEREAS, no variance from the Sign Ordinance shall be passed by the City Council unless and until an application seeking the variance is filed with the City's Signs and License Division, with such application containing, at a minimum, a legal description, location map, plot plan, the exact nature of the requested variance, the grounds upon which it is requested, and/or such other information as may be required by the Signs and License Division manager; and

WHEREAS, said variance application shall also demonstrate that:

1. Special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district;
2. The literal interpretation of the provisions of the Sign Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the provisions of the Sign Ordinance;
3. The special conditions and circumstances do not result from actions of the applicant; and
4. Granting the variance requested will not confer upon the applicant any special privilege that is denied by the Sign Ordinance to other similar lands, structures, or buildings in the same district; and

WHEREAS, Carmax, the applicant herein, has requested a variance from the Sign Ordinance regulations to erect a 115 sq. ft. monument sign on the same street frontage with an existing 199 sq. ft. ground sign at 35 ft. in height within a C-3 zone which only allows one ground/monument sign per street frontage.

IT IS THEREFORE, ORDERED that Carmax is hereby *(denied)* a variance from the Sign Ordinance regulations to erect a 115 sq. ft. monument sign on the same street frontage with an existing 199 sq. ft. ground sign at 35 ft. in height within a C-3 zone which only allows one ground/monument sign per street frontage, it being determined that the parties in interest and the general citizenry first had their opportunity to be heard and that the applicant *(has not)* met the necessary criteria for the requested variance.

IT IS FURTHER ORDERED that the City Council has considered the variance application and denies the variance requested therein based on a finding that no special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district; the literal interpretation of the provision of the Sign Ordinance *(would not)* deprive the applicant of rights commonly enjoyed by other properties in the same district under the provisions of the Sign Ordinance; the special conditions and circumstances do not result from actions of the applicant; and granting the variance requested *(will)* confer upon the applicant any special privilege that is denied by the Sign Ordinance to other similar lands, structures, or buildings in the same district.

Mississippi Farm Bureau Casualty Insurance Company

On September 28, 2018, claimant was trying to avoid a vehicle that was involved in an accident in front of him when he swerved to the right and struck PC 1893 causing damage to rear driver side bumper and quarter panel. Received two estimates from vehicle management; lowest estimate in the amount of \$897.85 and \$150.00 for loss of use, which brings the total to \$1,047.85.

Mississippi Farm Bureau Casualty Insurance Company issued a payment in the amount of \$1,047.85 for damage to the City vehicle. The payment is based upon the estimate provided by Mississippi Farm Bureau Casualty Insurance Company.

It is hereby recommended, pending City Council approval, that the City of Jackson accepts the aforementioned payment as a property damage settlement. **RE: Damage to City Property and Recovery of Repair Cost from
Deviney Construction Company**

On May 14, 2018, Deviney Construction was boring in area and hit sewer tap at the end of the street in front yard of business at 3120 Old Canton Road. Sewer Department crew repaired sewer tap and backfilled. Demand letter was sent to Deviney Construction with lowest estimate in the amount of \$828.57.

Deviney Construction Company issued a payment in the amount of \$828.57 for damages to the City property. The payment is based upon the estimate provided.

It is hereby recommended, pending City Council approval, that the City of Jackson accepts the aforementioned payment as a property damage settlement. The settlement amount represents the amount negotiated by the Risk Management Division to settle the property damage claim. Nevertheless, the acceptance of this payment will not preclude the City from recovering workers' compensation benefits in the event same are paid in the future. If additional information is required, please let me know.

RE: Agenda Item for December 18, 2018 City Council Meeting

The Office of Housing and Community Development (OHCD) is preparing to begin lead and healthy homes remediation activities on three (3) units enrolled in the City's Lead Safe Jackson Housing Program funded through the HUD's Lead-Based Paint Hazard Control Grant and Healthy Homes Supplemental Funds, and Community Development Block Grant (CDBG) funds. The seven approved contractors were asked to complete a walk through with OHCD staff and provide cost estimates on three (3) units scheduled to receive services.

Staff compiled cost estimates utilizing the HomeWyse website and actual cost data from local building supply providers to establish the standard for a reasonable "lowest and best" bid. If the bid is not 10% greater than or 10% lower than the amount established in the cost estimate, it is a reasonable cost.

Two items are attached for your review and approval: (1) the agenda item authorizes the Mayor to execute a contract for the use of Lead-Based Paint Hazard Control (LBPHC) grant, Healthy Homes Supplemental, and CDBG funds to implement Lead Safe Jackson Housing Program activities based upon the recommendations of OHCD staff; and (2) a summary of the bids provided by the approved contractors.

RE: Agenda Item for January 8, 2019 City Council Meeting

The attached agenda item is an order authorizing an agreement with ServiceMaster Commercial Cleaning of Jackson to provide Janitorial Services and Supplies for the Administration Building and Customer Service Office (Union Station) of the City of Jackson's Public Transportation System (JATRAM).

Previously, the Operations' Contractor provided these services for the Administration Building with very minimum duties (emptying trash/spot cleaning restrooms/requested mopping & vacuuming) and none to the Customer Service Office (Union Station). Due to the shortage in Care Maintenance, additional work to these locations were contracted out; therefore, the Office of Transportation feels contracting these services would offer a better solution to maintaining these locations.

It is the recommendation of this department that this request for janitorial services and supplies be approved. If you have any questions, please call Christine Welch, Deputy Director, Department of Planning and Development/Office of Transportation at (601) 960-1909 or e-mail cwelch@city.jackson.ms.us.
