MEMORANDUM

To: Mayor Chokwe Antar Lumumba

From: LaaWanda Horton, Director *LWH*
Administration

Date: July 2, 2019

Re: Freeance Mobile for Cityworks Maintenance

The City of Jackson purchased Freeance Mobile for Cityworks in 2012. It is as part of the work orders system implemented in the 311 system. Freeance Mobile is a mobile application that allows people in the field to access 311 and complete work orders. The current maintenance expires on September 26, 2018. The cost to renew is \$4,375.00 for one year. The TDC Group created Freeance software and are the sole-source. They are the sole creator, developer, and the only firm that provides maintenance and support for the Freeance Mobile for Cityworks application.

Based on the above, the Information Systems Division recommends that the maintenance for Freeance be renewed.

MEMORANDUM

TO: Mayor Chokwe Antar Lumumba

FROM: Adriane Dorsey-Kidd, Director 
Department of Human and Cultural Services

DATE: August 8, 2019

SUBJECT: Thalia Mara Hall Box Office Services Contract
With Ticketland, LLC.

This order authorizes the Mayor to execute a contract for new box office ticketing services for Thalia Mara Hall. After a proper, transparent and open RFP process, a selection committee vetted the single proposal we received and deemed it to be sufficient and worthy of proceeding with negotiations. This agreement is with Ticketland, LLC, who will be utilizing Ticketmaster as the ticketing service. The new contract will provide an immediate increase in revenue, pathways for growth in income as the venue attracts more talent and shows, and incentives for people to buy tickets at the physical Box Office at Thalia Mara Hall. The contract protects the five staple non-profit arts organizations, stating that the City will support and uphold the decision each organization will make regarding whether or not they will utilize the ticketing service. All other promoters and groups will be required to utilize Ticketland, LLC, to provide the best customer ticketing experience and create a more unified ticketing service.

Re: Pool Bids

This is a request from Parks and Recreation for the purpose of accepting the 24-month supply of Swimming Pool Purification Chemicals for a term of June 1, 2019 through May 31, 2021. Leslie's Pool-mart, Inc. was the only company that placed a bid for the 24-month contract. Leslie's pool-mart, Inc. has serviced the City of Jackson in the past. The service and product was good. The bid should be given the Pool Chemical Bid.

Thanks Charles Melvin

MEMORANDUM

TO: Mayor Chokwe Lumumba

FROM: Mukesh Kumar, Director,
Department of Planning and Development

CC: Vanessa Henderson, Deputy Director
Office of Housing and Community Development

DATE: August 7, 2019

RE: Agenda Item for August 20, 2019 City Council Meeting

The Office of Housing and Community Development is preparing to begin rehabilitation activities on one (1) unit enrolled in the CDBG funded Limited Repair Program. The six approved contractors were asked to complete a walk through with OHCD staff and provide cost estimates on one (1) unit on the list of homes scheduled to receive limited housing repair activities.

Staff compiled cost estimates utilizing the HomeWyse website and actual cost data from local building supply providers to establish the standard for a reasonable "lowest and best" bid. If the bid is not 10% greater than or 10% lower than the amount established in the cost estimate, it is a reasonable cost.

Two items are attached for your review and approval: (1) the agenda item authorizing the Mayor to execute contracts for the use of 2018 Community Development Block Grant (CDBG) funds based upon the recommendations of OHCD staff; and (2) a summary of the bids provided by the approved contractors.

MEMORANDUM

TO: Chokwe A. Lumumba, Mayor

FROM: Robert K. Miller, Director
Public Works Department

DATE: June 27, 2019

RE: **AGENDA ITEM FOR CITY COUNCIL MEETING**

Attached, you will find an item for the above mentioned agenda requesting authorization for the Mayor to execute Change Order Number One (1) to the contract of Hemphill Construction Company, Inc., decreasing said contract by \$2,960.50 for an adjustment and reduction in quantities, and authorizing Final Payment in the amount of \$27,310.85 for the Fondren Streetscape Project, Federal-Aid Project Number STP-0250-00(038) LPA/106056-701000.

The contract was approved by the City Council on August 29, 2017, with a 'Notice to Proceed' being issued to start construction on December 11, 2017. The original construction period was increased by sixty (60) days by Supplemental Agreement No. 1. This increase was due to several major water main breaks that occurred during the winter months in which this contractor repaired under emergency order. An inspection held at the site March 28, 2019 confirmed that the contractor had reached 90% completion by this date.

It is the recommendation of this office that this item be approved and Final Payment be made. If you have any questions or comments, please do not hesitate to call.

Council Meeting:

Regular Council Meeting, August 20, 2019

Purpose:

To amend an agreement for Professional Investigative Services

Cost:

Increasing funding for agreement by \$25,000.00 for a total of \$50,000.00

Funding Source:

Water/Sewer Fund

Background:

Previously, the City Council ratified an emergency contract with Financial Crimes Investigative, Compliance & Security, LLC for an investigation of the Water-Sewer Business Administration division of the Water-Sewer Utility. The Department has been satisfied with the investigative work done through Mr. Phillip Hull's company. In the course of the initial investigation, additional matters have come to light that need to be investigated. Also, the initial investigation has been more extensive than anticipated and additional funding is necessary to complete the initial investigation of the Water-Sewer Business Administration division.

Financial Crimes Investigative believes that it can complete the initial investigation and the additional leads for an additional \$25,000.00 for a total amount of \$50,000.00.

I am recommending that this investigation be funded in order to eliminate harmful wrongdoing in the Water-Sewer Utility and to disincentivize future wrongdoing.

Please let me know if you need any additional information or have any questions.

6. CONFIDENTIALITY

- A) "Confidential Information" means all information or material disclosed by one party hereto ("Discloser") in any manner, whether orally, visually or in tangible form, to the other party hereto ("Recipient"), or otherwise discovered by or made available to Recipient. Confidential Information includes, but is not limited to, the following types of information: any information collected from Applicants, software (in various stages of development), designs, drawings, specifications, models, source code, object code, know-how, techniques, documentation, diagrams, flow charts, marketing and development plans, business plans, financial information, customer lists, and other similar information and intellectual property that is proprietary to and confidential information of Discloser, and all copies, descriptions and summaries thereof, whether created by Discloser or Recipient. In the course of disclosing Confidential Information to the Recipient, Discloser shall endeavor to identify such information as "confidential", but failure to so identify such information as confidential shall not relieve Recipient of its obligations hereunder. Confidential Information shall not include information that: (a) is already known to Recipient without restriction on use or disclosure prior to receipt of such information from Discloser; (b) is or becomes part of the public domain other than by breach of this Agreement by Recipient; (c) is developed by Recipient independently of and without use of or reference to any of Discloser's Confidential Information; or (d) is received by Recipient from a third party who is not under any obligation to Discloser to maintain the confidentiality of such information. For the avoidance of doubt, all information provided by Applicants, the terms of this Agreement and the existence of any business relationship between the parties, shall be deemed Confidential Information.
- B) All Confidential Information disclosed by Discloser shall remain the sole property of Discloser. Nothing herein shall be construed as a grant by Discloser to Recipient or any third party of any license, directly or

by implication, estoppel or otherwise, in any Confidential Information. Nothing contained herein shall create any obligation on the part of Discloser to provide Recipient with any Confidential Information.

- C) Discloser hereby authorizes Recipient to use Confidential Information solely for the purpose of performance of this Agreement and for no other purpose whatsoever. Such authorization shall automatically expire upon expiration or termination of this Agreement for any reason. Recipient covenants and agrees that it shall disclose, permit the disclosure of or allow access to Confidential Information to only those of its employees who (a) have a need to know such Confidential Information and (b) have executed written confidentiality agreements with obligations of confidentiality and restrictions on use substantially similar to those herein. Recipient agrees that in no event shall any other employee of Recipient or any third party, including but not limited to affiliates, customers and contractors of Recipient, have access or exposure to Confidential Information without the express written consent of Discloser.
- D) Recipient agrees that it will handle Confidential Information with the same degree of care it takes to safeguard its own confidential information of a like nature, but in no event less than a reasonable degree of care, and will not use, disclose or make available, directly or indirectly, any Confidential Information to any person, concern or entity, except as expressly permitted hereunder.
- E) Recipient shall notify Discloser immediately upon discovery of any unauthorized use or disclosure of Confidential Information or any other breach of this Agreement by Recipient or its employees, and will cooperate with Discloser in every reasonable way to help Discloser regain possession of the Confidential Information and prevent its further unauthorized use or disclosure.
- F) Recipient shall not create derivative works from, reverse engineer, decompile or disassemble any software code and/or pre-release hardware devices disclosed by Discloser to the Recipient under the terms of this Agreement, except as expressly permitted by applicable law.
- G) Notwithstanding any other provision of this Agreement, Recipient may disclose Confidential Information in response to a valid order of a court, regulatory agency, or other governmental body in the United States or any political subdivision thereof, but only to the limited extent and for the limited purposes stated in such order; provided, however, that Recipient shall first notify Discloser in writing of the order and cooperate with Discloser if Discloser desires to seek an appropriate protective order.
- H) All Confidential Information, copies and summaries thereof shall be returned to Discloser within ten (10) days of Discloser's request. At Discloser's option, Confidential Information, including all copies, may instead be destroyed by Recipient, provided Recipient certifies such destruction in writing to Discloser within five (5) days of Discloser's instructions to Recipient. This obligation survives expiration or termination of this Agreement.
- I) It is agreed that due to the sensitive and highly valuable proprietary information contained in Confidential Information, Discloser would suffer irreparable harm from the unauthorized disclosure or use of Confidential Information. Accordingly, either party may seek injunctive relief from any court of competent jurisdiction if necessary to preserve the status quo or otherwise prevent irreparable harm from the unauthorized disclosure or use of its Confidential Information pending final resolution of a decision on the merits with respect to such disclosure or use. In the event any party takes legal action to enforce any of the terms of this Agreement, the unsuccessful party to such action shall pay the successful party's expenses, including actual attorneys' fees, incurred in such action.

7. NON-SOLICITATION; NON-COMPETE

Each party agrees that during the term of this Agreement and for a period of two (2) years following the expiration or termination of this Agreement, regardless of the reason for termination and regardless of which party terminates, that it shall not: (a) divert or attempt to divert from the other party any business of the other party; (b) in the case of Service Provider, perform any services which are related or similar to the Services for any person or entity other than IDEMIA, which duty shall be interpreted as broadly as allowed under law to prevent Service Provider from interfering with IDEMIA's business opportunities and to prevent Service Provider from competing against IDEMIA

or assisting other persons or entities to perform work which has the effect of reducing the work available to IDEMIA; or (c) in the case of Service Provider, otherwise interfere with IDEMIA's (or its subsidiaries' or affiliates') employee relationships or with IDEMIA's customer or vendor relationships. In addition to other remedies available at law, including, without limitation, monetary damages, each party shall be entitled to injunctive and other equitable relief in the event of the other party's breach of this Section 7.

8. WARRANTIES

- A) Service Provider represents and warrants that all employees and contractors of Service Provider, who collect, submit or otherwise process biometric or biographic information of Applicants will i) if required by the applicable Prime Contract, be only United States citizens, as specified in the applicable SOW, and ii) have passed a criminal background check (written pass/fail criteria for adjudication thereof shall be as specified in the applicable SOW), a social security number verification, a validation of the identification documents presented by the employee or contractor and at least a 10 panel drug screen. Subsections (i) and (ii) hereof are collectively "Background Check Requirements." Service Provider shall be responsible for the costs of compliance with Background Check Requirements, and IDEMIA may deduct such costs from Fees. Service Provider shall provide satisfactory evidence of a specific employee or contractor meeting Background Check Requirements, upon IDEMIA's request.
- B) For purposes of this Section 8, all individuals subject to Background Check Requirements shall hereinafter be referred to as "Restricted Personnel." Service Provider will not use Restricted Personnel in performance of this Agreement until after IDEMIA's Chief Security Officer has notified Service Provider in writing that such Restricted Personnel meet Background Check Requirements. It shall be a material breach of this Agreement by Service Provider if any Restricted Personnel begin to perform under this Agreement before IDEMIA has provided such notification.
- C) Service Provider further represents and warrants that:
- i) Services will be performed in a timely, professional and workman-like manner and will conform to the specifications stated in all Statements of Work, Attachments, Schedules and Appendices to this Agreement, which are hereby incorporated by reference;
 - ii) Service Provider shall cause its facilities to comply with the Americans with Disabilities Act and shall maintain such compliance throughout the term of this Agreement; and
 - iii) Service Provider shall comply with all federal, state and local laws and regulations, any terms identified in Sections 23 (Special Provisions) and 24 (FAR Flow Downs).

9. INSURANCE

Service Provider agrees to obtain and maintain umbrella liability and General Public liability insurance with minimum limits of \$1,000,000.00 per occurrence for the entire duration of this Agreement. Service Provider further agrees to obtain and maintain workers' compensation insurance with at least the statutory required minimums for coverage as well as other state and federally mandated insurance coverage. Service Provider agrees to provide to IDEMIA a certificate of insurance evidencing the coverage required by this Section 9 and naming IDEMIA as an additional insured upon request.

10. INDEMNIFICATION

Each party ("Indemnifying Party") shall defend and indemnify the other, and their respective officers, directors, employees, and agents (the "Indemnified Party") from and against all claims, demands, actions, causes of action, liabilities, damages, costs and expenses (including reasonable attorneys' fees) suffered by the Indemnified Party and arising out of or relating to (a) breach by Indemnifying Party of any of its representations, obligations or warranties in this Agreement or (b) any claims of physical injury or property damage occurring on Indemnifying Party's premises. The Indemnified Party shall promptly notify the Indemnifying Party of any such claim and shall

not settle any such claim without the prior written consent of the Indemnifying Party. The Indemnifying Party shall have the right to control the defense of any such claim, with counsel reasonably acceptable to Indemnified Party.

11. LIMITATION OF LIABILITY

EXCEPT FOR BREACH OF EITHER PARTY'S OBLIGATIONS IN SECTION 6 OF THIS AGREEMENT (CONFIDENTIALITY) AND SERVICE PROVIDER'S FAILURE TO COMPLY WITH IDEMIA'S SECURITY REQUIREMENTS), IN NO EVENT SHALL EITHER PARTY'S AGGREGATE LIABILITY FOR ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF, OR RELATED TO THIS AGREEMENT, EXCEED THE TOTAL SUM OF ALL FEES PAID TO SERVICE PROVIDER BY IDEMIA DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE DATE ON WHICH THE CAUSE(S) OF ACTION AROSE. EXCEPT FOR BREACH OF EITHER PARTY'S OBLIGATIONS IN SECTION 6 OF THIS AGREEMENT (CONFIDENTIALITY) AND SERVICE PROVIDER'S FAILURE TO COMPLY WITH IDEMIA'S SECURITY REQUIREMENTS, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES.

12. TERM AND TERMINATION

- A) This Agreement will commence on the Effective Date and remain in full force and effect until terminated by either party under the terms of this Agreement.
- B) IDEMIA may terminate this Agreement at any time upon written notice for any breach or non-compliance with this Agreement that IDEMIA reasonably believes denigrates its business reputation or could lead to termination of the Prime Contract.
- C) This Agreement shall terminate automatically and with immediate effect upon the expiration or termination of the Prime Contract or if the Agency or any party to the Prime Contract informs IDEMIA that Service Provider is no longer an approved subcontractor.
- D) Either party may terminate this Agreement in the event that a material breach by the other party remains uncured for a period of thirty (30) days from the date the party in breach receives written notice of such breach, if the breaching party is capable of curing the breach.
- E) IDEMIA may terminate this Agreement, in whole or in part (i.e., terminate the provision of a) Services provided under any one Prime Contract or b) Services provided at any individual location of Service Provider), at any time for any reason with thirty (30) days prior written notice. If requested by IDEMIA, Service Provider agrees to continue providing the Services during the thirty (30) day notice period and IDEMIA will pay Service Provider in accordance with the terms of this Agreement.
- F) Service Provider may terminate this Agreement, in whole or in part (i.e., terminate the provision of a) Services provided under any one Prime Contract or b) Services provided at any individual location of Service Provider), at any time for any reason with one hundred and twenty (120) days prior written notice. If requested by IDEMIA, Service Provider agrees to continue providing the Services during the one hundred and twenty (120) day notice period and IDEMIA will pay Service Provider in accordance with the terms of this Agreement.
- G) In the event of termination, Service Provider agrees to assist IDEMIA with any de-installation of the Equipment, transition of resources and work product and to provide full cooperation and support for transition to an alternate service provider.
- H) It is acknowledged that Service Provider's termination of this Agreement or cessation of Services within the first six (6) months of the date on which Service Provider begins providing Services ("Early Termination") will cause IDEMIA to incur economic damages and loss of types and in amounts which are impossible to compute and ascertain with certainty as a basis for recovery by IDEMIA of actual damages, and that liquidated damages represent a fair, reasonable and appropriate estimate thereof.

Accordingly, in lieu of actual damages for Early Termination (even with the notice required under this Agreement), IDEMIA may assess and recover, as against Service Provider, without IDEMIA being required to present any evidence of the amount or character of actual damages sustained by reason thereof, liquidated damages in the amount of One Thousand Dollars (\$1,000) ("Liquidated Damages"). Liquidated Damages are intended to represent estimated actual damages and are not intended as a penalty, and Service Provider shall pay Liquidated Damages to IDEMIA without limiting IDEMIA's right to terminate this Agreement for default as provided elsewhere herein. IDEMIA may withhold any amounts due to Service Provider under this Agreement in order to recover Liquidated Damages from Service Provider.

- D) It is acknowledged that either party's termination of this Agreement or cessation of Services without proper notice will cause the non-terminating party to incur economic damages and loss of types and in amounts which are impossible to compute and ascertain with certainty as a basis for recovery by the non-terminating party of actual damages, and that liquidated damages represent a fair, reasonable and appropriate estimate thereof. Accordingly, in lieu of actual damages for termination without the notice periods prescribed by the terms of this Section 12I ("Notice Period"), the non-terminating party may assess and recover, as against the terminating party, without the non-terminating party being required to present any evidence of the amount or character of actual damages sustained by reason thereof, liquidated damages as follows ("Inadequate Notice Liquidated Damages"). In the event that Service Provider is the terminating party and provides less notice than the Notice Period, IDEMIA may withhold a) the amount due to Service Provider for the provision of Services during the month previous to that in which IDEMIA receives Service Provider's termination notice and b) an amount equal to what Service Provider would have earned through the end of the Notice Period, based on the average daily amount Service Provider earned during the term of the Agreement (i.e., total amount earned divided by number of days on which Service Provider has performed Services) ("Prorated Earnings") times the number of days remaining until the end of the Notice Period). If IDEMIA is the terminating party and provides less notice than the Notice Period, IDEMIA will pay Service Provider a) the amount due to Service Provider for the provision of Services during the month previous to that in which Service Provider receives IDEMIA's termination notice and b) 50% of Prorated Earnings times the number of days remaining until the end of the Notice Period). Inadequate Notice Liquidated Damages are intended to represent estimated actual damages and are not intended as a penalty, and the terminating party shall pay Inadequate Notice Liquidated Damages to the non-terminating party without limiting the non-terminating party's right to terminate this Agreement for default as provided elsewhere herein. In the event that Service Provider is the party terminating the Agreement without the notice period prescribed by this Section 12, IDEMIA may withhold any amounts due to Service Provider under this Agreement in order to recover Inadequate Notice Liquidated Damages from Service Provider.

13. DOCUMENT RETENTION; AUDIT

Service Provider shall maintain records, books, files and other data and in such detail as shall properly substantiate claims for payment, for a minimum retention period of seven (7) years, beginning on the date the Services were provided, or such longer period as is necessary for the resolution of any litigation, claim, negotiation, audit or other inquiry. Service Provider shall provide IDEMIA and the Agency with access to such records during Service Provider's regular business hours and upon reasonable prior notice, including on-site reviews and reproduction of such records at IDEMIA's expense.

14. NON-DISCRIMINATION; UNFAIR LABOR PRACTICES

Service Provider shall comply with all federal, state and local laws, rules and regulations promoting fair employment practices or prohibiting employment discrimination and unfair labor practices, and shall not discriminate against any employee or applicant for employment, nor shall any qualified employee be demoted, discharged or otherwise subject to discrimination in the tenure, position, promotional opportunities, wages, benefits or terms and conditions of their employment, because of race, creed, color, national origin, ancestry, age, sex, religion, height, weight, marital status, physical or mental disability, genetic predisposition, carrier status or sexual orientation, or for exercising any rights afforded by law.

15. CONFLICT OF INTEREST

The Service Provider must not have or acquire any contractual, financial, business, or other interest, direct or indirect, that would conflict in any manner or degree with IDEMIA's performance of its duties and responsibilities under the Prime Contract or otherwise create an appearance of impropriety with respect to the award or performance of the Prime Contract. The Service Provider agrees to notify IDEMIA about the nature of any such conflict or appearance of impropriety immediately upon discovery.

16. EXPORT CONTROL

Notwithstanding anything to the contrary in this Agreement, Service Provider acknowledges and agrees that it may be subject to regulations of the U.S. Department of Commerce that prohibit the export or diversion of certain products and technologies to certain countries. Service Provider agrees that it will not export or divert any information or technology provided hereunder without fully complying with all relevant laws of and regulations, including without limitation, the US Export Administration Act of 1979, as amended, any successor legislation, and the Export Administration Regulations issued by the US Department of Commerce.

17. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Massachusetts, without regard to conflicts of law rules.

18. SURVIVAL

The sections of this Agreement which by their nature require survival after termination or completion of the Services shall survive and remain notwithstanding any termination or completion of the Services. The Sections which shall survive include, but are not limited to, Sections 3 (Remittance of Applicant Fees; Taxes), 4 (Payment to Service Provider), 5 (Equipment), 6 (Confidentiality), 7 (Non-Solicitation; Non-Compete), 10 (Indemnification), 11 (Limitation of Liability), 12 (Termination), 13 (Document Retention), 15 (Conflict of Interest), 16 (Export Control), 17 (Governing Law), 18 (Survival), 21 (Severability), 22 (Notices), and 25 (Entire Agreement).

19. INDEPENDENT CONTRACTOR

The relationship between the Parties subject to this Agreement shall be independent contractors. Service Provider employees or agents rendering services under this Agreement shall not be employees of IDEMIA, the Agency or any government entity that is a party to the Prime Contract for federal or state tax purposes, or for any other purpose. Service Provider shall be responsible for workers' compensation, social security, unemployment insurance and all applicable taxes.

20. ASSIGNMENT

Neither party may assign any of its rights or delegate any of its duties, in whole or in part, without the prior written consent of the other party. Any attempted assignment or delegation without such consent shall be null and void. Notwithstanding the foregoing, IDEMIA may assign this Agreement to any current or future parent or subsidiary of IDEMIA or of such parent without Service Provider's prior written consent.

21. SEVERABILITY

STATEMENT OF WORK

The Agency for this SOW is the U. S. Transportation Security Administration ("TSA").

SERVICE PROVIDER RESPONSIBILITIES:

The Service Provider shall provide electronic Applicant enrollment services and associated processing for non-criminal justice licensing, credentialing, and employment purposes pursuant to state and federal laws requiring background checks. Except as may be specifically stated elsewhere, Service Provider is responsible for all staffing, operations, building leases, equipment rental, consumables and office supplies required for the successful performance of Services and operation of the facilities at which Services will be performed ("Enrollment Center"). A Service Provider employee who collects Applicant information and operates an enrollment workstation is referred to as an "Enrollment Agent" or an "EA."

Service Provider agrees that any Equipment provided by IDEMIA shall remain the sole property of IDEMIA and shall be used exclusively for the provision of Services.

Service Provider is responsible for abiding by IDEMIA policies and procedures and for establishing the availability of necessary facilities, trained personnel, and the delivery of all services described herein to the satisfaction of IDEMIA and IDEMIA's customers.

Service Provider must be pre-approved to work on the Prime Contract. Pre-approval is established first through an internal IDEMIA vetting process and then through the Agency, if the Prime Contract requires this vetting process to be done. The vetting process is to determine a Service Provider's eligibility and suitability to be engaged in a partnership for a specific government contract. The vetting process may include site visits, analysis of ADA suitability, and facility photographs. Service Providers must be approved through the contract-required vetting processes *prior* to beginning any work. Service Provider agrees to provide adequate parking, ADA accessibility, and access to reasonable accommodations for Applicants waiting for fingerprinting appointments.

Service Provider is responsible for verifying the identity, in accordance with program requirements of the Prime Contract, of all Applicants prior to providing fingerprinting services. Service Provider shall review the Applicants' presented forms of government issued photo identification before processing the Applicant. For approved third party entities paying for an Applicant's processing services, Service Provider is responsible for verifying the Applicant's identity and satisfaction of full payment obligation using either a valid coupon code, personal payment or a combination of payment methods. Additionally, Service Provider is responsible for performing PIN resets as needed or as requested by the Applicant.

All Service Provider employees will be held to a high standard of excellence, professionalism, accountability, integrity, honesty, and trust. Service Provider employees working on this contract will have the required education, skills, certification and experience.

Service Provider will be responsible for the work product delivery of its employees and for meeting all deliverable schedules, timelines, and due dates required under the Prime Contract and Statement of Work. All Service Provider employees are expected to perform work that is consistent with the intent and specificity of the SOW and this Agreement. IDEMIA reserves the contractual right to request the immediate removal of any Service Provider employee.

The Service Provider is responsible for maintaining a staff with an adequate number of personnel to ensure day-to-day continuity of operations, should someone leave the Service Provider for any reason or be reassigned to other work within the company.

If the Service Provider becomes aware of any misconduct or lapse of judgment on the part of any of its employees that may or would render the person ineligible to continue performing Services, the Service Provider will report the incident immediately to IDEMIA.

Service Provider will provide reliable internet connectivity, electrical power, and all organizational and program-related resources that could reasonably be foreseeable to deliver the Services.

Service Provider will accept payments from Applicants made in the form of a credit card, a cashier's check or a money order only unless otherwise agreed to in writing by IDEMIA. Applicants will have other payment options at the time of pre registering. For Applicants paying on site, the Service Provider collects the enrollment fee which includes applicable Federal, State or FBI channeling charges.

Service Provider will provide a receipt in a format approved by the Agency and supplied by IDEMIA to each individual fingerprinted as evidence of successful completion of the transaction, including a unique identifying number assigned and submitted with the electronic submission.

The Service Provider shall provide all Services and deliverables as required, described, and detailed herein and shall meet all Service and delivery timelines as specified.

Service Provider shall not collect an additional rolling Fees for any Applicant rejected by the State or FBI as a result of a fingerprint rolled from the Livescan device user by Service Provider.

Service Provider shall ensure that IDEMIA customer data and personal information is held strictly confidential. Service Provider is responsible for the security and dissemination of personal information obtained in the performance of this contract in accordance with State and federal law. In addition, Service Provider shall take reasonable steps to insure that customer data visible on the Livescan device is protected during the fingerprint collection process (privacy screens, room partitions, separate collection room or area, etc.).

The Service Provider shall provide Services in accordance with performance measurements that fall within the Service Level Agreements (SLAs) defined in Appendix I: Service Provider Performance Metrics.

Service Provider will strive to meet the standards described in the Enrollment Center Quality Control document attached to the Agreement as Attachment A-1.

Service Provider shall ensure that all Service Provider employees and contractors wear an identification badge at all times while performing Services. Other name tag requirements are as follows:

- Service Provider- provided name tags are acceptable.
- The name tags should have at least the employee's full first name and the initial of their last name. Service Provider's corporate logo may also be displayed on name tags.
- If Service Provider does not issue name tags, IDEMIA will provide an Identogo name tag for the initial onboarding staff at no cost. Payment for additional or replacement name tags will be the responsibility of the Service Provider.

Service Provider shall comply with any signage and branding guidelines provided by IDEMIA, including those in Schedule A. For the avoidance of doubt, Service Provider shall avoid all use of IDEMIA logos or that of its customers (e.g, the TSA) without IDEMIA's permission.

Service Provider shall not alter IDEMIA signage or any other IDEMIA-branded items (collectively "Signage"), or display any Signage not provided or previously authorized by IDEMIA. Signage is subject to change and IDEMIA may, from time to time, ask the Service Provider to update Signage and/or provide access to Service Provider's facility so that IDEMIA may make any such updates. Service Provider shall not display any hand-made signage, and Service Provider hereby acknowledges that any such display is a violation of U.S. federal, state and international copyright and trademark law.

IDEMIA will provide initial training for Service Provider employees at IDEMIA expense. Service Provider employees must commit to focused training which includes approximately four to seven hours of computer based training outside of normal operating hours and three to five days of hands on training with an IDEMIA Certified Trainer. The Certified Trainer will also observe the employee in a live environment for one day during normal hours

of operation. The Certified Trainer will ensure that the employee is competent to work independently and demonstrates proficiency in the material presented before being certified as an Enrollment Agent. Examples of specific training topics include:

- Review of the Trusted Agent User Manual
- Greeting and Sign-In Procedures
- Enrollment Processes
- Data Entry
- Payment Processing
- Fingerprint Capture
- Photograph Capture

IDEMIA's training process is initiated, maintained, and monitored by the UES training organization and recorded in the Learning Management System (LMS) as part of the program personnel's permanent training record.

IDEMIA will provide Briefings on average once a month that will most of the time align with the monthly release of the workstation update(s). A mandatory program refresher course will be assigned on an annual basis. New training modules will be initiated a minimum of 4 times per year as new services and/or features are released or refreshed. Assigned trainings take approximately 20 -90 minutes to complete.

Additional training due to lack of employee availability or attention during initial session will be at the expense of Service Provider.

Service Provider shall accept Applicants for fingerprinting during the following standard days and hours of operation: Monday through Friday 8:00am - 5:00pm. Service Provider must communicate any requested changes to the agreed upon operating hours to the IDEMIA Supervisor/Manager with a minimum 30 days' notice. Any permanent changes to the operating schedules must be pre-approved in writing by IDEMIA. In the event of an unscheduled site closure, the Service Provider must notify IDEMIA immediately of the situation or no later than two hours prior to the scheduled opening time.

Service Provider agrees to accept the maximum number of appointments per hour, as specified by IDEMIA from time to time, during the agreed upon hours of operation.

Service Provider will support promotional marketing and merchandising for retail services. Service Provider shall complete necessary reporting requirements for retail service transactions.

TECHNICAL REQUIREMENTS

1. Service Provider agrees that only authorized personnel shall have physical control of and access to the Livescan and all components. When Livescan and all components are not under the physical control of authorized personnel, they shall be secured in a way that will not allow anyone else to gain possession of the equipment or gain access to the data contained on the equipment. If the Livescan becomes compromised, lost, and or stolen at any time, Service Provider agrees to immediately contact IDEMIA's TouchCare Support Center at (866) 326-5309 to report the matter.
2. Service Provider agrees to provide Internet connectivity within ten (10) feet of the area where the Live Scan equipment is installed. Service Provider sites agree to meet the requirements for connectivity to the IDEMIA network, to include:
 - Broadband\High-Speed Business Connection; Usage of a wireless router is allowed with the workstation hardwired into the router. Wireless connectivity is not permitted
 - Internet minimum download and upload speeds that shall be provided are:
 - 3 Mbps download and 1 Mbps upload for 1 workstation
 - 6 Mbps download and 2 Mbps upload for 2 workstations
 - 20 Mbps download and 5 Mbps upload for 8 or more workstations
 - Latency must be below 100ms
 - Firewall protection in front of Livescan firewall must allow outbound and inbound packets per the chart below.
 - Idemia's Livescans have Trend Micro Anti-virus, which is managed by Idemia.
 - Service Provider may not connect any peripheral devices (for example, phones; USB thumb drives) to the IDEMIA Livescan workstation and may not use the Livescan workstation for internet browsing or other functions.

The following network access is required to provide proper functionality of IDEMIA fingerprinting systems for SEP, UEP and UES.

	Host Names	IP Address/port(s)	DNS Enabled	Purpose
1	Secure.ibtfingerprint.com [SEP] Uesecure.identogo.com [UEP] da.ues.llesd.net [UES]	206.196.26.134 / TCP 8080 128.136.41.107 / TCP 37067 67.216.156.46 / TCP 8080	Yes	TrendMicro DataArmor pre-boot authentication process (This is prior to Windows booting; DNS access is required at this point.) This is the encryption software installed on IDEMIA fingerprint kiosks.

NOTE: All fingerprinting systems need to have access to DNS in the pre-Windows boot environment. This can either be provided by the local site or from a public DNS server (for example, Google's public DNS, 8.8.8.8). Once the fingerprinting system is connected to VPN, IDEMIA's network provides the necessary DNS support.

- Approved Router:
 - Non-Wireless – Idemia in most cases provides a Cisco Small Business RV320 that goes immediately upstream from the Livescan. If Service Provider requires a static IP for the RV320, that information must be provided prior to deployment of the site's equipment so that the RV320 arrives already configured.

The Livescan will have Cisco VPN client or Cisco AnyConnect software that will establish the VPN tunnel back to IDEMIA. IDEMIA does not currently allow VPN site-to-site connections, only host-to-gateway.

SERVICE PROVIDER PERFORMANCE METRICS

The Service Provider shall provide IDEMIA with performance measures that fall within the Service Level Agreements (SLAs) defined below. The SLAs have been established to evaluate Service Provider performance. These metrics may also provide a benchmark to identify areas for future improvements. Repeated failure of compliance of these SLA measurements will result in corrective actions up to and including contract termination for non-performance.

The Service Provider shall, to the maximum extent possible, meet or exceed the desired outcomes summarized in the table below. These objectives are of equal importance to the IDEMIA and its clients. Acceptable quality levels (AQLs) are defined as the minimum level of performance accepted by the IDEMIA and its clients. The Service Provider shall support each performance measure with careful observance of established policies and procedures. IDEMIA will calculate and provide regular feedback of SLA performance for each Service Provider.

If performance falls below the identified AQL level for a period of measurement, the Service Provider agrees to adjust their operational performance promptly to assure adherence to the SLAs including adjust hours of operation and adding additional staff as needed. IDEMIA will provide necessary workstation equipment where necessary to do so in support of these efforts.

Wait Time – This is defined as the amount of time an Applicant waits at the enrollment center prior to the start of processing by the Trusted Agent. Both walk-ins and appointments shall be included in this measure. Processing by the trusted agent shall be as a result of any Applicant requested activity – enrollment, activation, personal identification number (PIN) reset, etc.

Applicant arrival and processing start times shall be recorded by systematic means as prescribed by IDEMIA.

Trusted agents shall greet Applicants upon arrival at the facility, and the arrival time shall be recorded.

- If the Applicant is a walk-in, wait time shall be calculated from the time the Applicant reaches the end of the line to the time the Applicant is seen by a trusted agent for processing (enrollment, activation, PIN reset etc.).
- If the Applicant is early or on-time and has an appointment, wait time shall be calculated from the time of the appointment.

Operational Availability – This is defined as the time that an enrollment center is open as a percentage of its scheduled hours (i.e., number of hours open divided by number of scheduled hours). Any closures related to weather shall not be included in this metric.

1. IDEMIA-approved holidays (for example, Thanksgiving Day) shall not be included as part of scheduled hours since it is anticipated that all enrollment centers shall be closed during these holidays.
2. Any pre-approved non-standard closures shall be excluded from this metric (for example, Mardi Gras holiday closures in Louisiana), provided request for approval of such closure is submitted at least 30 days in advance of the requested closure.
3. System related closures shall be excluded from the metric
 - a. For example, if the IDEMIA or TSA system or any provided components of UES system are unavailable, then those hours of outage will not be included in this metric.
4. For sites that are only scheduled for one day of a week operations and have an unscheduled closure, the unscheduled closure time shall not be included in the metric as long as the operational hours are made up within three business days.
 - a. For example, if a site is scheduled for 9 AM – 5 PM operations on Mondays only and has an unscheduled closure, then the unscheduled closure shall be excluded from this metric if the site is open for a cumulative 8 operational hours within three business days.

Any closure that exceeds one hour shall require notification to IDEMIA and inclusion in this metric.

Serious Incident Penalties - Any site with a Serious Incident caused by Service Provider and identified by IDEMIA or IDEMIA's Customer will have their Enrollment and Issuance fees reduced by \$1.40 each for two months following the month of the incident. Serious Incidents include, but are not limited to, the following areas:

- Improper safeguarding and disposal of PII
- Improper handling of fees
- Unscheduled site closure for reasons other than catastrophic event or severe weather
- Neglecting to complete mandatory Learning Management System (LMS) modules
- Improper use of assigned login credentials

A Serious Incident occurs when Service Provider fails to comply with procedures and processes defined in this Agreement or published program materials such as the user training manual, standard operating procedures and other program directives issued by IDEMIA or IDEMIA's customer.

Regardless of the number of Serious Incidents identified at a site, each line item will not be reduced by more than \$1.40 in any given month. IDEMIA will provide Service Provider with all penalty assessments within 30 days after month-end. Upon receipt of penalty assessments from IDEMIA, Service Provider will have 10 days to review and dispute any assessments.

1. From clauses 2.6(c), and 5.1 (Service Providers, contractors, subcontractors, consulting services providers)

If Service Provider is a vendor, consultant, subcontractor, placement service, or any other manner of service provider to *IDEMIA*, then unless agreed in advance and in writing by *IDEMIA*'s Chief Security Officer or Chief Compliance Officer, Service Provider shall ensure that all of the personnel that Service Provider makes available to *IDEMIA* shall be only United States citizens, and not dual citizens, who, if required by *IDEMIA*, have passed a background check by *IDEMIA*'s trusted third party background check service provider. If such background check is required, Service Provider shall not make such personnel available to *IDEMIA* until after *IDEMIA*'s Chief Security Officer or Chief Compliance Officer have notified Service Provider in writing that its personnel have passed the background check. It shall be a material breach of this Agreement and these terms and conditions by Service Provider if any of Service Provider's personnel begin to render services to or on behalf of *IDEMIA* before passing *IDEMIA*'s required background check. All *third party* U.S. citizen personnel that visit *IDEMIA*'s facilities shall be escorted by *IDEMIA* personnel at all times.

If Service Provider receives written notice from *IDEMIA* of the U.S. Government's approval, such notice may include additional terms and conditions that the U.S. Government requires be imposed upon *IDEMIA* and Service Provider for Service Provider's rendering of the consulting services. Service Provider agrees that its acceptance of these additional terms and conditions is made by either (1) Service Provider commencing performance of its consulting services at any time after receiving such notice from *IDEMIA*, or (2) notifying *IDEMIA* in writing that Service Provider accepts such additional terms and conditions.
