WHEREAS, I, Chokwe Antar Lumumba, Mayor of the City of Jackson, Mississippi, pursuant to Section 45-17-7(e) of the Mississippi Code of 1972, as amended, have the authority to issue such other orders as are necessary for the protection of life and property and in the interest of public safety and welfare, after proclamation of a civil emergency; and

WHEREAS, I, Chokwe Antar Lumumba, Mayor of the City of Jackson, Mississippi recognize the emergency declarations of the President of the United States and the Governor of the State of Mississippi related to the spread of COVID-19 disease in our community; and

WHEREAS, COVID-19 is a disease caused by a novel coronavirus, previously unknown in humans, and causes upper-respiratory tract illness that can range from mild to severe, spread quickly, and may cause death, particularly in older adults and persons with certain chronic medical conditions; and

WHEREAS, the World Health Organization declared COVID-19 to be a global pandemic as of March 15, 2020; and

WHEREAS, I Chokwe Antar Lumumba, Mayor of the City of Jackson, Mississippi find that an emergency of an unprecedented health threat resulting from the natural cause of community spread of a novel human coronavirus disease, COVID-19, has occurred in the City of Jackson; and

WHEREAS, the State's reopening of the economy effectively required the City of Jackson to lift the Stay-at-Home Order and begin the precarious process of reopening the City; and

WHEREAS, the latest statistics clearly demonstrate that success at controlling the spread of the virus depends upon business and resident compliance with reopening guidelines

and restrictions – especially socially distance requirements and business capacity limitations; and

WHEREAS, continued extraordinary measures related to preventing the spread of the virus are necessary and expedient for the health, safety, welfare and good order to protect the public peace and preserve lives; and

WHEREAS, the Lumumba Administration has consistently been concerned with assisting businesses to recover lost revenue due to the Coronavirus pandemic and ensuing restrictions and limitations on businesses; and

WHEREAS, restaurants are low margin businesses, even when dining rooms can be filled to maximum occupancy; and

WHEREAS, the Lumumba Administration understands that if restaurants and bars in the City of Jackson are going to continue to prosper through this pandemic and restrictions, we are going to have to open up more public spaces for such business entities; and

WHEREAS, I, Chokwe Antar Lumumba, Mayor of the City of Jackson, Mississippi have imposed restrictions and limitations on restaurants and bars with public health in mind, and also understand that such restrictions and limitations complicate the economic picture for many business owners; and

WHEREAS, this Executive Order seeks to provide an economic lifeline to business by allowing the temporary safe expansion of business services.

NOW, THEREFORE, I, Chokwe Antar Lumumba, Mayor of the City of Jackson, Mississippi, pursuant to the authority vested in me by Section 45-17-7(e) of the Mississippi Code of 1972, as amended, and in the public interest and for the general welfare of the City of Jackson, do hereby issue this Sixth Amended Stay Safe Jackson Executive Order.

- 1. Incorporation and Adoption.** This Sixth Amended Stay Safe Jackson Executive Order incorporates and adopts the Second Amended Stay Safe Jackson Executive Order, effectuated on July 2, 2020 and attached hereto, except only to the extent that the latter is superseded by contrary provisions stated herein.
- 2. Bar Tops.** The provisions closing bars in previous Executive Orders are terminated. Bar tops of any establishment shall be closed, but bar beverages may be served at tables. In such event, customers must only be served via table services and may not order from bar top areas. Nothing in this Section shall be interpreted to prohibit employees from making drinks behind the bar top or to prohibit employees from collecting and distributing such drinks to patrons seated at tables or to prohibit employees from making lawful sale of alcoholic beverages in connection with a lawful drive-through or curb side pick-up transaction.

3. **Temporary Citywide Leisure and Recreation District.** Business entities within the City of Jackson that hold on premises retail alcoholic beverage permits issued by the Department of Revenue may take advantage of the ordinance establishing a temporary citywide leisure and recreation district within the corporate boundaries of the City of Jackson for the carry out/drive-through/curbside pick-up of alcoholic beverages. Said ordinance is attached hereto.
4. **Expanded Business Services.** Restaurants, bars, and retail establishments affected by government-imposed and Coronavirus-related capacity limitations may contact the City's Constituent Services Office at 601-960-1084 to request a temporary permit to create or expand an outdoor area for customers to consume food and alcohol and to expand business operations to public parking lots, sidewalks, and streets closed to the public access, and other areas within the proximity of the business.

Business owners must submit to the City, among other documents and information, a safety plan; sanitation plan; operations plan; and diagram of the proposed temporary area.

To avoid large congregations of people standing in close proximity outdoors, restaurants and bars must serve customers by reservation only for the chairs, tables, and tents set up outdoors through the temporary permit allowed by this Executive Order.

Use of sidewalk and streets must still meet all American with Disabilities Act and Fire Marshal requirements.

There shall be no fee imposed for the temporary permit.

Outdoor services for restaurants and bars shall continue to be subject to the additional limitations found in paragraph 9 of the Stay Safe Jackson Executive Order, effectuated on May 16, 2020 and paragraph 10 of the Amended Stay Safe Jackson Executive Order, effectuated on June 4, 2020.

on Thursday, July 2, 2020.

- 7. Applicability; Severability.** This Order supersedes and replaces any contrary provision in any prior Mayoral Executive Order. Except as superseded, amended, or rescinded, all provisions within COVID-19 Mayoral Executive Orders remain in full force and effect.

Any provisions within this Order that (i) conflict(s) with any state or federal law or constitutional provision, or (ii) conflict(s) with or are superseded by a current or subsequently-issued Executive Order of the Governor or the President of the United States solely to the extent such Executive Order (a) expressly preempts the substance of this Order or (b) imposes stricter guidelines and closures than set forth herein, shall be deemed inapplicable and deemed to be severed from this Order, with the remainder of this Order remaining intact and in full force and effect.

- 8. Publication.** This Executive Order shall be: (1) promptly filed with the City Clerk; (2) distributed to the news media and other organizations calculated to bring its contents to the attention of the general public; and (3) distributed to others as necessary to ensure proper implementation of this Order.

NOW, THEREFORE, I, Chokwe Antar Lumumba, Mayor of the City of Jackson, Mississippi, pursuant to the authority vested in me by Section 45-17-7(e) of the Mississippi Code of 1972, as amended, and in the public interest and for the general welfare of the City of Jackson, do hereby issue this Second Amended Stay Safe Jackson Executive Order.

- 1. Incorporation and Adoption.** This Second Amended Stay Safe Jackson Executive Order incorporates and adopts the Amended Stay Safe Jackson Executive Order, effectuated on June 4, 2020, except only to the extent that the latter is superseded by contrary provisions stated herein.
- 2. Restaurants and Bars.** The number of customers in any restaurant or bar shall be no greater than 50% of seating capacity.

Prior Executive Orders are amended to remove the limitation that restaurants that serve alcohol and bars shall close to the public no later than 10:00 p.m.

Restaurants and bars shall continue to be subject to the additional limitations found in paragraph 9 of the Stay Safe Jackson Executive Order, effectuated on May 16, 2020 and paragraph 10 of the Amended Stay Safe Jackson Executive Order, effectuated on June 4, 2020.

Gyms shall continue to be subject to the additional limitations found in paragraph 12 of the Stay Safe Jackson Executive Order, effectuated on May 16, 2020.

4. **Reception Halls and Conference Centers.** Reception Halls and conference centers shall be permitted to remain open subject to the following limitations.

Except as otherwise provided herein, the number of guests in the reception hall or conference center shall be no greater than 25% of the maximum seating capacity, with strict social distancing.

5. **Wearing a face covering in public places or when working.** Any individual who is over age two and able to medically tolerate a face covering shall be required to cover their nose and mouth with a face covering when in a public place and unable to maintain at least six feet of social distancing. Face coverings are required in public indoor spaces such as stores and public outdoor spaces.

A face covering shall be considered a device to cover the nose and mouth of a person to impede the spread of saliva or other fluids during speaking, coughing, sneezing or other intentional or involuntary action. Medical grade masks are not

required; coverings may be fashioned from scarves, bandanas, handkerchiefs, or other suitable fabrics.

Face coverings do not need to be worn in the following circumstances:

- When exercising outside or engaging in physical activity outside;
- When driving alone or with passengers who are part of the same household as the driver;
- When doing so poses a greater mental or physical health, safety, or security risk such as anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the cover without assistance. For purposes of this subsection, "safety risk" shall include external factors, such as, but not limited to: where wearing a face covering may pose a risk to persons working on ladders or at significant heights, wearing other respiratory protection, heavy physical exertion or operating heavy equipment or operating in an environment where a face covering hinders communications. However, employers are encouraged to structure work to promote social distancing and limit close contact as much as possible within workplaces where face coverings may pose such risks;
- When pumping gas;
- When in a building or activity that requires security surveillance or screening, (for example, banks);
- When working alone in separate office spaces or in non-public workplaces where six feet of social distancing may be consistently maintained; or
- When eating or drinking in public at a restaurant, bar, or other food or beverage establishment. A face covering must be worn when entering or exiting any such establishment, and when walking around such establishment and six feet of social distancing cannot be maintained.

6. **Face Coverings – Commercial Entities and Establishments.** *Notwithstanding any contrary provisions in prior executive orders and consistent with the foregoing provisions stated within this order*, all commercial entities, businesses, establishments, restaurants, bars, theatre houses, auditoriums, libraries, and museums providing goods or services directly to the public must require that all employees, patrons, customers, and visitors to the commercial entity's business premises or other facilities wear face coverings when in an area or performing an activity where social distancing of a minimum of six feet cannot be maintained.

Such commercial entities and establishments listed in this paragraph must require that all employees, patrons, customers, and visitors wear a face covering when entering or exiting any such facility, and when walking around in any such facility and six feet of social distancing cannot be maintained.

Such commercial entities, establishments, and facilities listed in this paragraph must post the face covering requirement stated in this Executive Order in a conspicuous location sufficient to provide notice to employees and visitors.

Specific provisions in prior orders regarding the wearing of a face covering when receiving services in a salon, beauty shop, barber shop, or tattoo parlor are still in effect and valid and are not superseded by any provisions stated within this order – with respect to the wearing of a face covering when receiving personal services. For example, the provision found in paragraph 10 of the Stay Safe Jackson Executive Order regarding beauty and barber shops which states that “customers shall wear a face covering, covering nose and mouth, while inside the salon at all times except when receiving a service that otherwise could not be provided while wearing a face covering” is still in effect and not superseded by any provision in this Order – with respect to the wearing of a face covering when receiving personal services.

- 7. Entities not covered by this Order.** This Order does not apply to Federal, State, and County governments (e.g., state-owned museums, county-owned libraries, federal agencies, etc.). Such establishment or facility may reopen only after (1) a minimum of a twenty-four (24) hour period during which the establishment shall conduct a thorough review of the applicable COVID-19 related Mayoral Executive Orders, including this Order, and all applicable attachments, and take all necessary measures to bring the establishment or facility into compliance with the requirements of such Orders; and

(2) submitting a fully executed attestation under penalty of perjury by the owner, general manager, or chief executive officer of the establishment or facility, in the form attached hereto, to the City by email to halima@jacksonms.gov, attesting that the review has been completed and the required measures have been taken.

The attestation form, titled "Attestation of Compliance with the City of Jackson's Reopening Guidelines" can be found on the City's website at jacksonms.gov/slowopen. Any repeat violation by the establishment or facility cited by the applicable code enforcement or law enforcement authority shall be presumed a knowing violation and treated as a separate offense, subject to additional closure up to a five-day period, fines, and even imprisonment in accordance with this Order, Section 45-17-9 of the Mississippi Code of 1972, as amended, and Section 86-1 of the Jackson Code of Ordinances.

11. Applicability; Severability. This Order supersedes and replaces any contrary provision in any prior Mayoral Executive Order. Except as superseded, amended, or rescinded, all provisions within COVID-19 Mayoral Executive Orders remain in full force and effect.

Any provisions within this Order that (i) conflict(s) with any state or federal law or constitutional provision, or (ii) conflict(s) with or are superseded by a current or subsequently-issued Executive Order of the Governor or the President of the United States solely to the extent such Executive Order (a) expressly preempts the substance of this Order or (b) imposes stricter guidelines and closures than set forth herein, shall be deemed inapplicable and deemed to be severed from this Order, with the remainder of this Order remaining intact and in full force and effect.

12. Publication. This Executive Order shall be: (1) promptly filed with the City Clerk; (2) distributed to the news media and other organizations calculated to bring its contents to the attention of the general public; and (3) distributed to others as necessary to ensure proper implementation of this Order.
