

## **MAYORAL PROCLAMATION OF LOCAL EMERGENCY CITY OF JACKSON, MISSISSIPPI**

**WHEREAS**, Section 33-15-17 (d) of the Mississippi Code of 1972, as amended, authorizes the Mayor of a municipality to proclaim the existence of a local emergency as defined in Section 33-15-5 of the Mississippi Code of 1972, as amended; and

**WHEREAS**, Section 33-15-5 (h) defines an emergency as “any occurrence, or threat thereof, whether natural, technological, or man-made, in war or in peace, which results or may result in substantial injury or harm to the population or substantial damage to loss of property;” and

**WHEREAS**, Section 33-15-5 (g) defines a local emergency as “the duly proclaimed existence of conditions of disaster or extreme peril to the safety of person and property within the territorial limits of a...municipality caused by such conditions as...water pollution...or other natural or man-made conditions, which conditions are or are likely to be beyond the control of the services, personnel, equipment and facilities of the political subdivision and require the combined forces of other subdivisions or of the state to combat;” and

**WHEREAS**, the City’s contract for the collection of residential solid waste expires on September 30, 2021; and

**WHEREAS**, the City has attempted to procure a new contract through the process required under Section 31-7-13 (r) of the Mississippi Code of 1972, as amended, by advertising a Request for Proposals; and

**WHEREAS**, the City was unable to reach an agreement with any of the companies that submitted responses to the Request for Proposals; and

**WHEREAS**, beginning October 1, 2021, the City will have no means by which to collect garbage from residences throughout the City, which garbage, if uncollected for the period of time that will be required to conduct a new procurement in accordance with Section 31-7-13 (r), will create throughout the City a risk of disease and cause unsanitary conditions contrary to the public health; and

**WHEREAS**, the failure to collect garbage and properly dispose of it at a permitted landfill will result in putrid, rotting food and other deleterious contaminants flowing into the City’s municipal separate storm sewer system, which will cause water pollution to local creeks, streams, and waterways, including, but not limited to the Pearl River and Bogue Chitto Creek; and

**WHEREAS**, the failure to fulfill its statutory duty to properly collect and dispose of residential solid waste will expose the City to the risk of civil penalties at the rate of up to \$25,000 each day residential solid waste remains uncollected and to other legal action by the Mississippi Department of Environmental Quality; and

**WHEREAS**, pursuant to Section 33-15-17 (b), the City “is authorized to exercise the powers vested under [Section 33-15-1, *et seq.*] in light of the exigencies of the extreme emergency situation without regard to time-consuming procedures and formalities prescribed by law pertaining to the performance of public work, entering into contracts, the incurring of obligations...and the expenditure of public funds...;” and

**WHEREAS**, in order to combat the dangers to the public health that will arise if residential garbage remains uncollected for six months or longer, while the City attempts to procure a contract for the collection of residential solid waste in accordance with Section 31-7-13 (r), the City intends to contract on an emergency basis with Waste Management of Mississippi, Inc. for the collection of residential solid waste beginning on October 1, 2021 continuing for period of six (6) months.

**NOW, THEREFORE**, I, Chokwe Antar Lumumba, Mayor of the City of Jackson, Mississippi, pursuant to the authority vested in me by Section 33-15-17 (d) of the Mississippi Code of 1972, as amended, and in the public interest and for the general welfare of the City of Jackson, do hereby declare a **local emergency** for the City of Jackson.
