Police Report # provided to us is 2022-091909. Client stated that the accident took place while she was exiting I-20, when an 18 wheeler rear ended her. I spoke with a records clerk yesterday and she stated she found the report and it could be accessed online, but for some reason when I enter the details on MS Crash, it says no matching reports so I just wanted to see if I could get some assistance with acquiring it. If the report could be emailed or faxed that would be great! Or if there is a way to download them from this portal, I've never used it before, that would also work! █████. Thank you!
