23-260	Our firm, Armada Analytics, Inc. has been retained to perform a Property Condition Assessment of The Village Apartments located at 386 Raymond Road Jackson, MS. As part of the assessment research and report compilation, we seek public information from municipal agencies regarding compliance with state and local building codes. We would appreciate your response to the following documentation/information requests: Does the site have any open building code violations or notices of deficiencies? What is the current zoning classification of the site? (don't need a full zoning report) Are you aware of any installation or removal permits associated with underground storage tanks at the site? Is it possible to get a copy of the current Certificate of Occupancy for the property? Is the property subject to annual fire department inspections? If "YES" what is the date of the last inspection? Does the site have any outstanding fire code violations or notices of deficiencies? If "YES", may we have copies? Are you aware of any information associated with hazardous materials use, spills, leaks, or other similar circumstances at the site that would be of environmental concern? Thank you in advance for your assistance!	Planning-Community Improvement	heather hill
