23-782	Dear Municipal Clerk's Office, A group of citizens, named Jackson for Jackson, is organizing themselves to contribute to the well-being of our city. We are gathering information on the voting statistics in the city. We would like to know, for each ward, 1. how many citizens live in each ward, 2. what percentage of the ward citizens are registered to vote, and 3. what percentage of the citizens actually vote? We would like this information for the last three elections. We would also like to know the current available demographics for each ward including age, sex, race, income, and homeowner status. Also, while gathering information, we noticed that two wards (Wards 1&6) do not have election commissioners. We would like to know how long those seats have been vacant and how those seats are filled. Thank you in advance for your time on this request. We appreciate your service to our city!
