23-926	<p>Subject: Freedom of Information Act Request for City Council Meeting Minutes Dear City Clerk, I hope this message finds you well. In accordance with the Mississippi Public Records Act §25-61-1 et seq., I am writing to request a copy of the official minutes from the Jackson City Council meeting that took place on May 20, 2021. Specifically, I am seeking records that detail the discussion and decision related to a contract amendment approved during that meeting with Sustainability Partners. This amendment allowed the firm to proceed with the replacement of the city's water meter system. Please provide me with either a digital copy or a hard copy of these meeting minutes. If there is a cost associated with the copying and postage of these documents, kindly inform me of the charges before the documents are sent out. However, if these records can be accessed online, I would greatly appreciate a link or guidance on how to locate them. If there are any exemptions you believe prevent the full release of these documents, I request that you redact the necessary portions and provide me with the remaining documents. If you deny any or all of this request, please cite the specific statutory exemption you believe justifies the refusal to release the information and inform me of the appeal procedures available to me under the law. Thank you in advance for your prompt attention to this matter. I look forward to receiving your response within seven business days, as the statute requires. 23-909	<p>I would a copy of any Home Occupation Permit submitted by "Ray's" bar-b-que, 1024 Newland St., Jackson, MS 39211. The occupants of 1024 Newland St. (as lovely as they may be) are operating a food business from their home. According to other neighbors, the situation has invited rats and varmints into the neighboring properties. They cook outside at late hours and then the food truck which they park in their drive way, drives up and down Heatheron Drive at an unreasonable rate of speed several times a day. I hate to be "that" neighbor doing the reporting--but we have several folks in our neighborhood violating this or that City ordinance and most folks here just want to keep our neighborhood safe and free from unattractive nuisances. I didn't want to send in a code violation unless I knew whether they had a permit to operate their business.</p>	05/23/2023 05:17:45 PM	Planning-Building Permits	Johanna McMullan
