	We represent Isaiah Armon in a fraud case which was			
	investigated by the Jackson Police Department. We requested a			
	copy of the investigative report but have been advised by the			
	record department at the Jackson Police Department that a			
	"detail" report was done. Someone stole Isaiah Armon's identity			
	and took out a loan with Small Business Administration. With a			
	copy of the "detail" report the SBA cannot clear his name as being			
	fraudulent. We have uploaded the print out previously provided			
	the JPD records department that was not sufficient. Please let us			
	know what needs to be provided in order to get the detail report

	To the custodian of records, Hello, This request is made under			
	the Mississippi Public Records Act of 1983, Miss. Code Ann. § 25-

	Hi - I recently requested some information on 903 Wholesale Row. Our research identified a historic fire insurance map that			
	indicated a wood/lumber mill was located in this area from the			
	1920s to the 1940s. We are wondering if you have any records			
	regarding this use of the property or possibly any maps or aerial
