My name is Victoria Feazelle, and I am reaching out on behalf of OneVoice, a non-profit civic engagement organization dedicated to supporting informed decision-making within our communities of Mississippi. I am writing to request information about the allocation and spending plans of State and Local Fiscal Recovery (SLFR) funds within Jackson, Ms. This initiative stems from our commitment to ensuring that federal funds are utilized in their maximum impact on the well-being and prosperity of citizens of counties, cities, and towns in Mississippi. As you know, the SLFR funds are a critical component of the American Rescue Plan Act (ARPA), designed to alleviate the economic and social impacts of the COVID-19 pandemic. These funds hold significant potential for addressing a range of community needs and priorities, including but not limited to infrastructure development, economic growth, education, health services, housing, environmental sustainability, and public safety. Understanding the precise allocation and utilization of SLFR funds is paramount for local governments to effectively plan, implement, and monitor projects and initiatives. It empowers communities to make informed decisions and ensures accountability in resource allocation. We have relied on information from official sources, including the U.S. Department of the Treasury and our own comprehensive SLFR funds report. However, we acknowledge local clerks' valuable insight and details regarding specific allocations and projects. We kindly request your assistance in providing this vital information. Attached to this email, you will find a request form designed to facilitate the gathering of confirmed data related to SLFR funds allocations and projects within Jackson, Ms. Your contributions will significantly enhance the accuracy and comprehensiveness of our records.
