	I am requesting the following public records: Copies of all incident reports regarding the reported				
	disappearance of Micheal Akeem Williams, DOB 3 who was reported missing by his mother,				
	Nora Weston, in October 2020. She was given a case number of 2020-186670. Miss. Code Ann. §

	offense, and the property involved, to the extent this information is known." Furthermore, according to Miss. Ethics Commission Op. R-10-020 (February 11, 2011), a law enforcement agency must

	10/25/23 Municipal Clerk Department, City of Jackson, Mississippi Dear Ms. Harris,				
	Request: I am requesting access to records in possession or control of the City of Jackson,				
	Mississippi for the purposes of inspection and copying pursuant to Mississippi Public Records Act				
	Sections 25-61-1 through 25-61-19. I request access to/copies of any data pertaining to the city's				
	legal settlements from at least the last 5 years If you have a larger data set and cannot				
	separate the data from the last 5 years, I am happy to accept all the relevant data you have. If				
	applicable, a data dictionary or other document that describes or details the fields of data used by the				
1	City of Jackson to track legal settlement cases. Guidance Regarding the Search and Processing of				
1	Requested Records: I ask that this request be filled electronically in a machine-readable				
1	spreadsheet, database, or another structured data format (CSV), and for the responsive data to be				
1	sent via email. If the settlement data is not in a structured data format, then I request them in another				
1	electronic format such as a PDF or digital document. If the data is too large to share by email, I will				
1	provide an online platform onto which the file can be uploaded securely. In the event some portions				
1	of the requested records are exempt from disclosure, please disclose any segregable non-exempt				
1	portions of the requested records. Should you deny my request or any part of the request herein,				
1	please state in writing the basis for the denial, including the statute authorizing the				
1	denial. Relevant Laws: § 25-61-10(a) of the Mississippi Public Records Act gives

1	maintain the record in that format. § 25-61-5(1) gives requesters the right to "mechanically reproduce

1	requested is exempt from disclosure by express provisions of law, § 25-61-5(2) requires segregation				
1	and redaction of that material in order that the remainder of the records may be released. If				
1	you contend that you are unable to procure the records I have requested, § 25-61-5(3) of the				
1	Mississippi Public Records Act requires that you notify me of the reasons for the determination in				
1	writing with a "statement of the specific exemption relied upon by the public body for the
