23-1902	We are requesting the additional narrative recently provided by Officer Marcellous Charleston in connection with case number 23-07-08179. Our commercial burglary incident occurred at Life Storage, 5651 Highway 18, Jackson, MS during the month of July 2023. However, the insurance company, Xercor, denied our insurance claim due to a lack of information provided in the initial police report. We spoke to Supervisor Reed, Officer Nash, and Officer Charleston about providing an additional narrative to the police report outlining the forced entry for the burglary. We were notified that the request was approved and the supplemental report was ready for pickup. This has been delayed for weeks, and the insurance company must have this narrative in order to reopen and process our claim due to our stolen items.	chasityeb@city.jackson.ms	11/21/2023 03:58:19 PM	Police Department	Carolyn Foster
