23-1813	<p>I am requesting the following public records: Copies of all incident reports from Jan. 1, 2023 to Nov. 1, 2023 regarding people reporting missing to the Jackson Police Department. Miss. Code Ann. § 25-61-12 (2) (c) states: "Nothing in this chapter shall be construed to exempt from public disclosure a law enforcement incident report. An incident report shall be a public record. A law enforcement agency may release information in addition to the information contained in the incident report." In addition, Miss. Code Ann. § 25-61-3(e) states that an Incident report "means a narrative description, if such narrative description exists and if such narrative description does not contain investigative information, of an alleged offense, and at a minimum shall include the name and identification of each person charged with and arrested for the alleged offense, the time, date and location of the alleged offense, and the property involved, to the extent this information is known." Furthermore, according to Miss. Ethics Commission Op. R-10-020 (February 11, 2011), a law enforcement agency must include a narrative description on the incident report, and the agency's failure to include a narrative description in what it discloses fails to comply with the Act. I am making this request as a member of the news media. This information is not being sought for commercial purposes.
