	I am requesting the following public records: Copies of any incident reports regarding police officers				
	responding to or coming to the aid of a man named Micheal Akeem Williams (or Micheal Williams or				
	Michael Williams) on Aug. 21, 2020. Miss. Code Ann. § 25-61-12 (2) (c): states: "Nothing in his				
	chapter shall be construed to exempt from public disclosure a law enforcement incident report. An				
	incident report shall be a public record. A law enforcement agency may release information in addition				
	to the information contained in the incident report." In addition, Miss. Code Ann. § 25-61-3(e) states				
	that an Incident report "means a narrative description, if such narrative description exists and if such				
	narrative description does not contain investigative information, of an alleged offense, and at a				
	minimum shall include the name and identification of each person charged with and arrested for he				
	alleged offense, the time, date and loca ion of the alleged offense, and the property involved, to the				
	extent this information is known." Furthermore, according to Miss. Ethics Commission Op. R-10-020				
	(February 11, 2011), a law enforcement agency must include a narrative description on the incident				
	report, and the agency's failure to include a narrative description in what it discloses fails to comply				
	with the Act. I am making this request as a member of the news media. This information is not being

I am requesting the following public records: Copies of any incident reports regarding reports of a missing person in which the reporting person was Lorrine Mayes (or Lorrine Mayes Austin) and the missing person was Micheal Williams (or Michael Akeem Williams). The report would be sometime between the dates of Aug. 1 2020 and Dec. 24, 2020. Miss. Code Ann. § 25-61-12 (2) (c): states: "Nothing in this chapter shall be construed to exempt from public disclosure a law enforcement incident report. An incident report shall be a public record. A law enforcement agency may release information in addition to the information contained in the incident report." In addition, Miss. Code Ann. § 25-61-3(e) states that an Incident report "means a narrative description or, if such narrative description exists and if such narrative description does not contain inves igative informa ion, of an alleged offense, and at a minimum shall include the name and identification of each person charged with and arrested for the alleged offense, the time, date and location of the alleged offense, and the property involved, to the extent this information is known." Furthermore, according to Miss. Ethics Commission Op. R-10-020 (February 11, 2011), a law enforcement agency must include a narrative description on the incident report, and the agency's failure to include a narrative description in what it discloses fails to comply with the Act. I am making this request as a member of the news media. This information is not being sought for commercial purposes. The Mississipi Public Records Act requires a response time within seven days.
