23-1944	I reside at 1032 Pinehurst St. I have a Lexus parked in front of my home. This is a gift to my child . I have someone falsely reporting the car is abandoned and non operational. After several meeting with the police at my home . Five to be exact, I have explained to every officer that the car is mine. It's parked in front of my home and the reports are false. This has been a harassment to my family. On Wednesday of last week (thanksgiving) someone in a black SUV was park on the side of my car, when I got out my car to approach the car they pulled off fast, not stopping at the stop sign and the police had been called here everyday. I have this on Camera . I need to know who is making these reports to the officers and why me explain and showing them that the car suppose to be here, is battling. I have requested a supervisor today and Sgt Jackson came out and explained that this will continue. This is a disrespectful to my constitutional rights and She must be reported.	ppalmer@city.jackson.ms	12/01/2023 10:43:03 AM		Kianna Moore

23-1930	I am requesting the top 10 most frequent locations along interstates that run through Jackson where Jackson Police respond to vehicle accidents. Ideally, the list will break down how many of those wrecks were fatal. I am more than happy to consider adjusting my request in a way that more aligns with data/documents that already exist to save you from having to compile a new document. For clarity, this is not a list of 10 locations for every interstate but 10 total, regardless of which interstate(s) make the list. Don't hesitate to reach out with any questions. I am most available Mondays-Wednesdays.	chasityeb@city.jackson.ms	11/29/2023 02:31:44 PM	Police Department	Brendan Hall
23-1929	This is a request from the nonprofit Murder Accountability Project. We are trying to restore the historic record of homicide following ongoing reporting challenges to the FBI. Jackson Police is the largest agency in the United States not to report data to the FBI for 2022. We made a similar request in 2021 and you reported having 157 murders and 95 homicide clearances. Can you, please, provide the same data for 2022? How many homicides were investigated by Jackson Police and how many of these were cleared through the arrest of at least one offender or were, in rare cases, cleared through exceptional means such as the death of the offender during the process of arrest. Thank you. Please call or e-mail me if you have questions.	chasityeb@city.jackson.ms	11/29/2023 12:28:40 PM	Police Department	Thomas K Hargrove
23-1928	I am requesting the following public records: Copies of any incident reports between May 21, 2022 and Nov. 1, 2023 that mention Jonathan David Hankins (or simply Jonathan Hankins), W/M DOB 4/5/83. Miss. Code Ann. § 25-61-12 (2) (c): states: "Nothing in this chapter shall be construed to exempt from public disclosure a law enforcement incident report. An incident report shall be a public record. A law enforcement agency may release information in addition to the information contained in the incident report." In addition, Miss. Code Ann. § 25-61-3(e) states that an Incident report "means a narrative description, if such narrative description exists and if such narrative description does not contain investigative information, of an alleged offense, and at a minimum shall include the name and identification of each person charged with and arrested for the alleged offense, the time, date and location of the alleged offense, and the property involved, to the extent this information is known." Furthermore, according to Miss. Ethics Commission Op. R-10-020 (February 11, 2011), a law enforcement agency must include a narrative description on the incident report, and the agency's failure to include a narrative description in what it discloses fails to comply with the Act. I am making this request as a member of the news media. This information is not being sought for commercial purposes. The Mississippi Public Records Act requires a response time within seven days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. I would like to receive this data in electronic format. I can accept this data on CD-ROM, via email or FTP. If some of this material will take longer to provide than other portions, please provide information as soon as it is available. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. Please let me know if there is anything I can do to help clarify or expedite this request. I look forward to hearing from you and appreciate your assistance. Thank you.	chasityeb@city.jackson.ms	11/29/2023 12:04:27 PM	Police Department	Jon Schuppe
