24-426	I am writing to request access to public record information in the form of camera footage from the traffic light located at Highway 18 and Greenway Drive on February 25, 2024, between the hours of 3:30 p.m. and 4:00 p.m. This request is in relation to a hit-and-run accident in which my vehicle was involved. During the aforementioned time frame, my vehicle, a blue Hyundai Elantra (2012), was struck by a green pickup truck at the intersection. This happened going westbound in the left turn lane of the intersection. Unfortunately, the truck fled the scene following the collision, and I was unable to obtain its license plate number. I believe that the camera footage from the traffic light may capture the incident and provide valuable evidence for identifying the license plate of the truck involved. Obtaining this information is crucial for reporting the incident to the appropriate authorities and for pursuing any necessary legal action. Thank you for your attention to this matter. I look forward to your response. Sincerely, Monet Spencer	vrichard@jacksonms.gov	02/29/2024 11:16:13 AM	Police Department	Monet Spencer
