All new customers of the city utilities shall be required to pay and maintain a security deposit in the amount of \$125.00 at all times those services are provided in the customer's name. The sewer rates shall consist of a minimum monthly charge of \$35.00 per living dwelling unit. The water rates shall consist of a minimum monthly charge of \$56.00, plus the per gallon charge. All bills are due on or before the 15th day of the month. Late charges will be assessed if paid after the due date. In the event the service is disconnected for late payment, the City will apply the deposit to the deficiency and require full payment of any delinquency, in addition to any reconnection fees and reinstatement of the full security deposit prior to reinstatement and reconnection of utility services. Security deposits shall remain with the City until termination of services.
