

City of Jarrell

161 Town Center Blvd.
Jarrell, TX 76537
512-746-4593

There have been many inquiries from citizens concerning Recreational Vehicles being parked and or occupied on properties within the City of Jarrell. Please refer to the references listed to help with some of the confusion.

Article 4.03 Section 4.03.001 b

(b) Recreational vehicles. A recreational vehicle may be stored in an enclosed garage, other accessory building on any lot, in an area which is screened from public view by a six-foot solid hedge or fence, and provided that no living quarters shall be maintained nor shall any business be conducted in connection therewith while such recreational vehicle is so parked or stored.

(Ordinance 2004-022, ex. A, sec. 1, adopted 11/16/04)

Recreational Vehicle- A large motor vehicle equipped as living quarters.

Article 12.01 Section 12.02006 d

Connections and taps to wastewater system

(d) Connections. All connections to the city wastewater system shall be made by the city's operator unless specified otherwise by the city. No person, other than the properly authorized agents of the city, shall be permitted to tap or make any connections with the mains, laterals, or collection lines of the city's wastewater system, or make any repairs or additions to or alterations in any meter box, tap, pipe, cock or other fixture connected with the wastewater service except by the written permission of the city. No new dual or multiple connections (being more than one user on a single meter) shall be permitted.
