

Office of the Mayor

COVID-19 Update
April 3, 2020

As this graphic below shows, Williamson County now has had 71 confirmed cases of COVID-19. Of the 71 a total of 14 have been hospitalized and 25 have recovered. There has also been 1 death. The upper center graphic shows the areas with those confirmed cases. Please continue following the Social Distancing and the large area of Williamson County that has not generated confirmed cases may continue to do so.

Mayor Larry Bush
