JARRELL

## Notice of Payment Delays Due to New Software Conversion

We apologize for any inconvenience, but due to the process of our new software conversion, we will not be able to accept any types of payments beginning Tuesday, August 22, 2023, through the remainder of the week. We are still able to accept cash or check payments today, Monday August 21, 2023. This will also include any utility online payments.

If the schedule changes, we will post a notification as soon as possible.

Due to this delay, we will not process any utility disconnects this month.

If you have any concerns or questions, please contact us  
at 512-746-4593, ext. 120.

Thank you for your understanding!

The Staff at the City of Jarrell
