ARTICLE 5.04 FIREWORKS

§ 5.04.001. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Fireworks. Any firecrackers, cannon crackers, skyrockets, torpedoes, Roman candles, squibs, fire balloons, star shells, gerbs, or any other substance in whatever combination by any designated name intended for use in obtaining visible or audible pyrotechnic display, and shall include all articles or substances within the commonly accepted meaning of fireworks, other than sparklers and cap guns, whether specially designated and defined in this section or not.

Person. Any person, firm, corporation or association, and also includes all warehousemen, common and private carriers, bailees, trustees, receivers, executors, and administrators.
(Ordinance 92-008, sec. 1, adopted 9/1/92)

§ 5.04.002. Manufacture, transport, sale, possession or use prohibited.

It shall be unlawful for any person to manufacture, assemble, store, transport, receive, keep, sell, use, discharge, cause to be discharged, ignite, detonate, fire or otherwise set in action, offer or have in one's possession with intent to sell or use any fireworks of any description.
(Ordinance 92-008, sec. 2, adopted 9/1/92)

§ 5.04.003. Exceptions.

This article shall not apply to any marine signal flare or rocket of the type and kind commonly carried by a vessel at sea for its own use and which signal flares or rockets are transported or received or stored for use only as ship's stores, nor shall this article apply to automotive signal flares or rockets for military or police use. This article shall not apply to a public display of fireworks made under the terms and conditions of section 5.04.004.
(Ordinance 92-008, sec. 3, adopted 9/1/92)

§ 5.04.004. Public displays.

- (a) **Permit required.** Any adult person or any firm, co-partnership, corporation, or association planning to make a public display of fireworks shall first make written application for a permit to the fire marshal of the city at least forty-eight (48) hours in advance of the proposed display.
- (b) **Application; fee.** The application for a permit shall contain the information required on the application incorporated in Ordinance 92-008 and shall be submitted along with a nonrefundable fee of \$50.00.
- (c) **Investigation by fire marshal.** It shall be the duty of the fire marshal to make an investigation as to whether such a display as proposed by the applicant shall be of such a character that it may be hazardous to property or dangerous to any person, and he shall in the exercise of reasonable discretion grant or deny the application, subject to such reasonable conditions, if

any, as are described below.

- (d) Denial. If the application is denied by the fire marshal, he shall notify the applicant of the denial in writing. Such notice shall be effective when sent by U.S. mail to the address listed upon the application or delivered personally to the applicant or the applicant's address listed upon the application.
- (e) Issuance; term; transfer. If the application is approved, a permit shall be issued for the public display by the fire marshal. Such permit shall be for a period of time designated on the permit but shall not exceed fourteen (14) days, and the permit shall not be transferable.
- (f) Conditions. The following terms and conditions are specified and shall be binding upon the issuance of a permit to display fireworks:
 - (1) The display shall be limited to an aerial display.
 - (2) The range of aerial display shall not be more than two hundred (200) feet and [fireworks] shall be discharged vertically from steel tubes.
 - (3) The limit of display shall not be more than 1 hour per performance and there shall not be more than two (2) performances in each twenty-four (24) hours.
 - (4) The material to be used for the public display shall not be stored within the city limits but shall be brought in on the day of the public display and then shall be taken immediately to the place of display for further handling and storage.
 - (5) No public display of fireworks shall be of such a character and so located, discharged or fired as to be hazardous or dangerous to persons or property, and the determination of such shall be within the sound discretion of the fire marshal.
 - (6) The person or persons handling the display of fireworks shall be competent adult persons approved by the fire marshal issuing the permit, and no other persons than those persons approved by the fire marshal shall handle the fireworks of the public display. The names of the operators shall be designated on the permit issued.
 - (7) The applicant for such display permit shall at the time of application furnish proof that he carries workers' compensation insurance for his employees as provided by the laws of the state, and he shall file with the fire marshal a certificate of insurance evidencing the carrying of public liability insurance in an amount no less than one hundred thousand dollars (\$100,000.00) issued by an insurance carrier authorized to transact business in the state for the benefit of the person named therein as assured, and rated "A" by Best, as evidence of ability to respond in damages in at least the amount of one hundred thousand dollars (\$100,000.00), such policies to be approved by the fire marshal, or, in lieu of insurance, the applicant shall file with the fire marshal a bond in the amount of one hundred thousand dollars (\$100,000.00) issued by an authorized surety company to be approved by the fire marshal or his designee for financial soundness, conditioned upon the applicant's payment of all damages to persons or property which shall or may result from or be caused by such public display of fireworks or any negligence on the part of the applicant or his agents, servants, employees or subcontractors in the presentation of the public display.

(Ordinance 92-008, sec. 4, adopted 9/1/92)

§ 5.04.005. Seizure of illegal fireworks.

The presence of any fireworks within the jurisdiction in violation of this article is hereby declared to be a common and public nuisance. The fire marshal shall seize, and cause to be safely destroyed pursuant to V.T.C.A., Occupations Code, section 2154.304, any fireworks found within the jurisdiction in violation of this article. The chief of police, any police officer, or any other duly constituted peace officer is empowered to stop transportation of and detain any fireworks found being transported illegally or to close any building where any fireworks are found stored illegally until the fire marshal can be notified in order that such fireworks may be seized and destroyed. When accompanied by a police officer with a duly executed search warrant, the fire marshal may enter any building where the unlawful presence of fireworks is suspected in order to inspect the same for the presence of such fireworks.

(Ordinance 92-008, sec. 5, adopted 9/1/92)

§ 5.04.006. Violations.

- (a) Any person who shall manufacture, assemble, store, transport, receive, keep, sell, offer for sale, or have in his possession with intent to sell any fireworks, in violation of this article, shall be guilty of a misdemeanor. If the fireworks be separately wrapped or packaged, the doing or omitting to do any act prohibited by this article shall be a separate offense as to each such separately wrapped or separately packaged fireworks. Each day that a violation of this article shall continue with respect to any package of fireworks shall constitute a separate offense.
- (b) Any person who shall use, discharge, cause to be discharged, ignite, detonate, fire or otherwise set in action any fireworks in violation of this article shall be guilty of a misdemeanor. Any parent or guardian of any minor child below the age of fourteen (14) years who permits or allows such minor child to use, discharge, ignite, detonate, fire, or otherwise set in action any fireworks shall be fined as above provided.
