Subject: Take Home Vehicles

Section 26.00 Take Home Vehicles

Policy

It is the policy of the Johnson City Police Department to regulate and maintain a Take Home Vehicle Program in order to:

- Provide additional economic benefits to police officers in order to increase employee recruitment, retention, and morale;
- Potentially reduce maintenance costs of police vehicles through “ownership” of said vehicles by assigned personnel; and
- Potentially provide quicker response times by off-duty personnel when recalled to duty because of an emergency.

Definitions

For the purposes of this Policy, the term “take home vehicle” refers to both marked and unmarked police vehicles.

Exempt Vehicles: Those vehicles that, according to Federal Law, are exempt for the purposes of increased tax liability. This exemption means that the taxable income of the employee assigned an exempt vehicle will not be affected. Exempt vehicles include:

- Clearly marked public safety vehicles;
- Unmarked law enforcement vehicles operated by an officer or arson investigator who is a City employee and authorized to carry a firearm, execute search warrants, and make arrests; and
- All other vehicles exempted by the IRS under special ruling.

General Guidelines for Use of Take Home Vehicles

- The Chief of Police, at his/her sole discretion, may assign an exempt take home vehicle to police officers that have received a successful evaluation and exhibit good judgement and professionalism on a routine basis.
- Police officers assigned a take home vehicle will park the vehicle at the address listed in his/her personnel file. Command staff shall be notified when an employee has a permanent change of address. An alternate parking location (i.e. neighboring law enforcement agency) may be used, upon approval from that Agency and the City’s Chief of Police.
- No employee shall use the assigned vehicle to further any personal interests.

- Under no circumstances shall a police officer leave any firearm in a police vehicle without properly securing the firearm in the trunk or by other authorized means.
- Any police officer on leave due to extended sick leave, on-duty injuries, limited duty, or suspension will not have take home vehicle privileges.
- Employees assigned an exempt take home vehicle are not “on call” when off-duty. Rather, said employees are authorized to use their time effectively for their own purposes and are “waiting to be engaged” rather than “engaged to be waiting.”

Off-Duty Mileage and Gasoline Consumption

- It shall be the responsibility of each police officer to ensure that off-duty mileage and gasoline consumption is not abused.
- It shall be the responsibility of Command Staff to monitor fuel consumption of subordinates in their command.

Violation of Take-Home Vehicle Policy

Any employee who violates this Policy will be subject to the loss of a take home vehicle and/or other disciplinary action.

Operation of Vehicles

- Any police officer using his/her take home vehicle shall adhere to Departmental policies, procedures, rules, and regulations and the City’s Personnel Policies and Procedures Manual, as they pertain to vehicle and equipment operation, maintenance, and care.
- Any police officer using his/her take home vehicle in any unauthorized manner or who permits unauthorized uses of the vehicle will be subject to the loss of a take home vehicle and/or other disciplinary action.

Good Judgement

The police officer involved in the collision shall provide a copy of his/her report to the Chief of Police through the Chain of Command as soon as possible.
