The City of Johnson City will be completing parking lot reconstruction of the East side of North Ave. G from East Pecan Dr. to East Cypress St. starting on Thursday, January 8, 2026. Weather permitting, the project is expected to take approx. 1 week. Every effort will be made to maintain access to individual properties; however, we ask that you not park directly in front of your property during construction to ensure the contractors can work as quickly as possible.
