Public Safety

Officer Michael Pavlov assisted with a Vehicle Pursuit that began in the City of Fredericksburg on the night of the 21st. Officer Pavlov set up to deploy a tire deflation device in the 5000 Block of US HWY 290 West. Fortunately, the suspect vehicle crashed about a mile west of his location and Fredericksburg Police were able to take the driver and several passengers into custody. It is my understanding that the vehicle was loaded with individuals that were smuggled into the US.

Due to recent reports of ATM Burglary's I have contacted management from the three local banks and advised them we are available to do standby's while they conduct ATM maintenance. On 01/27, Chief Allen responded to Johnson City Bank to conduct a security stand by while employees replenished money in their stand-alone ATM machine. Texas Regions and Lonestar Bank's have not contacted our department for assistance yet.

If any of you have any questions or feedback on my monthly reports, please feel free to contact me.

Respectfully,
Chief Ross Allen
