Nothing to report.

### Public Safety

On December 15<sup>th</sup>, Officer Jessica Oestreich received a call at the Exxon Kwik Check gas station in reference to an Emotionally Disturbed Person. Upon her arrival she contacted a female subject inside the store. Once Officer Oestreich was able to get the subject out of the store she learned that the vehicle the female been driving was reported stolen out of Lampasas County. It was later determined that the female's mother had reported her vehicle stolen from a residence in Lampasas. Officer Oestreich placed the individual under arrest, and she was housed at the Blanco County Sheriff's Office.

On December 28<sup>th</sup>, Officer Michael Pavlov was dispatched to the intersection of US HWY 281 and RR 2766 in reference to head on collision. When he arrived one vehicle was in the turn lane at the intersection and another vehicle was in the turn lane in front of the Best Western Hotel. Neither driver reported being injured. As Officer Pavlov investigated, he determined that the driver of a northbound Chevy pickup veered onto the center turn lane and struck a stopped Dodge pickup that was waiting to turn left on to RR 2766. The driver of the northbound truck continued north only coming to a stop when one of the front tires came off the vehicle. As Officer Pavlov spoke with that driver, he began to see sign of possible intoxication. After having both

drivers cleared by EMS, he began his DWI investigation. After conducting Standardized Field Sobriety Tasks Officer Pavlov determined that the driver of the Chevy was under the influence of intoxicants and placed him under arrest for Driving While Intoxicated. The suspect originally agreed to the submission of a breath test but recanted once at the jail. Officer Pavlov filed for a blood warrant which was signed by the County Judge and a blood sample was taken. The blood sample has been sent to the Texas Department of Public Safety for analysis.

**4TH QUARTER 2021 REPORT**  
**ATTACHMENT**  
**POSSIBLE CSLFRF INFRASTRUCTURE PROJECTS**  
**AND COST ESTIMATES**

**12/29/2021**

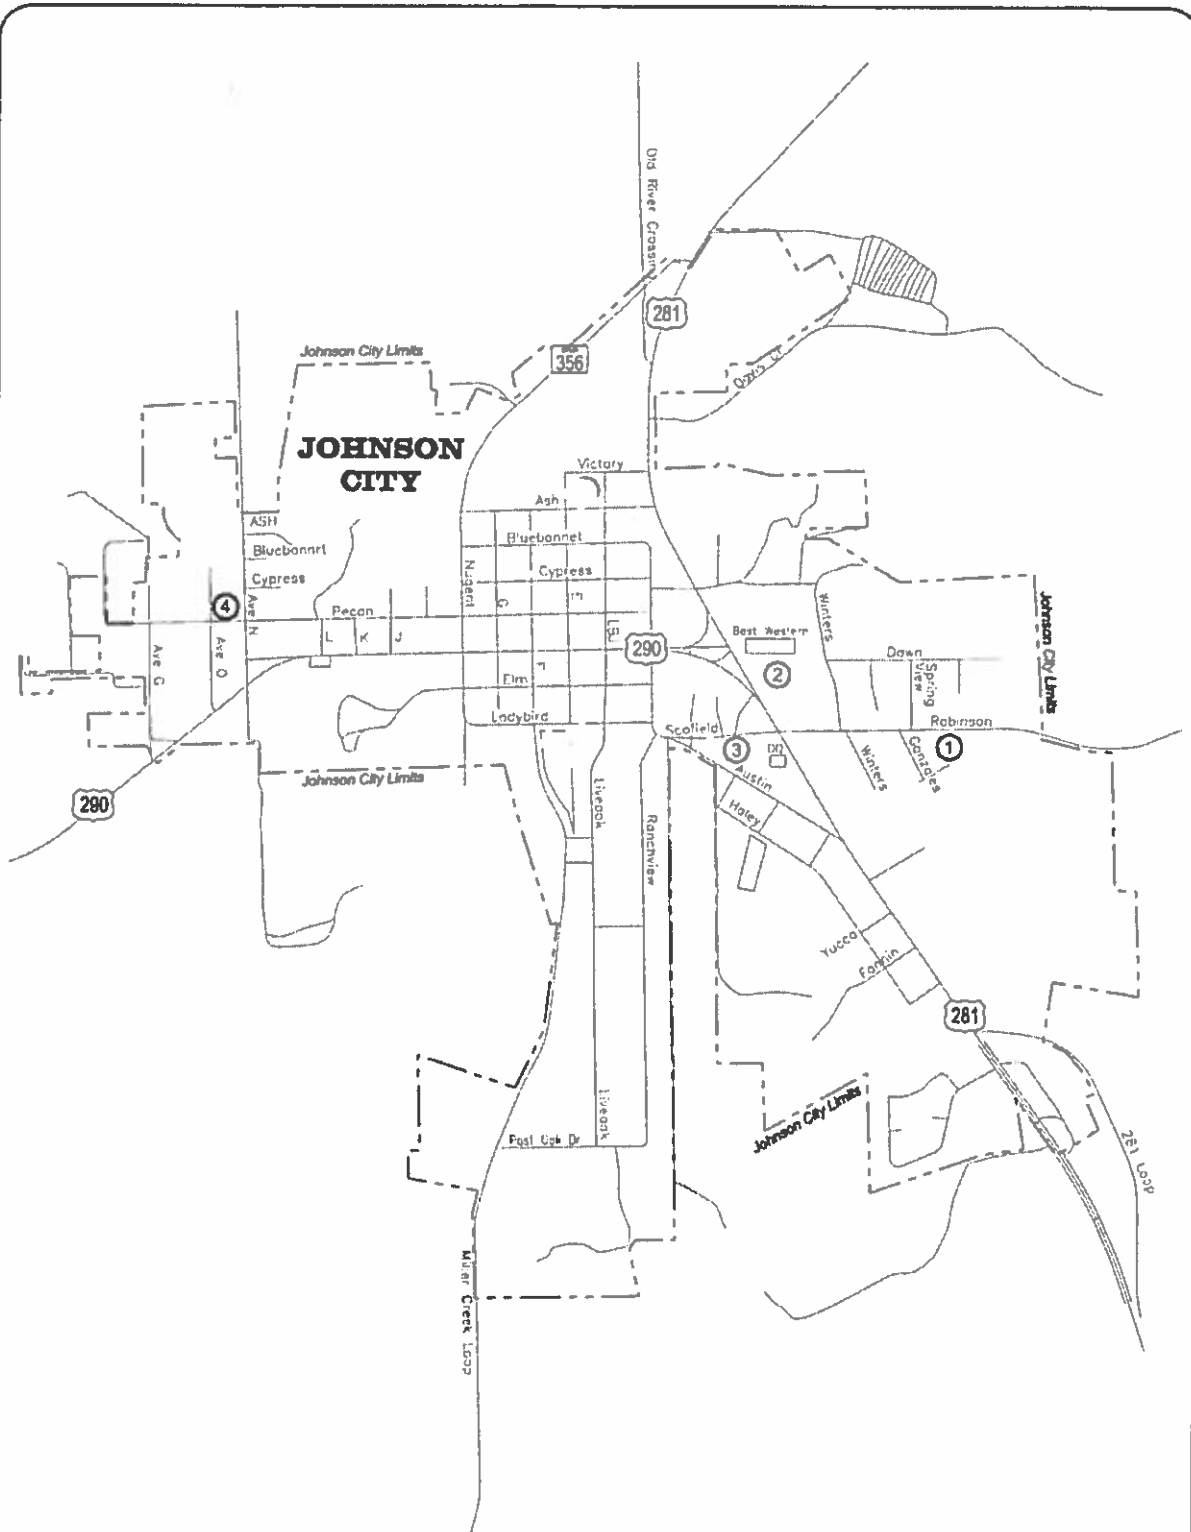

**SUBJECT: ESTIMATES OF PROBABLE COST FOR FIVE (5) SELECTED WATER AND WASTEWATER RENOVATION PROJECTS**

The following estimates of probable cost include Construction, Surveying and Engineering through the end of Construction Phase. No costs are included for resident Project Inspection or Geotechnical Services (if required). A 10% Construction Contingency is included:

PROJECT I.D.	ESTIMATE OF PROBABLE COST	CUMULATIVE TOTAL COSTS OF PROJECTS
1) 6" wastewater line pipe burst on Gonzales Avenue (approximately 435 L.F.)	\$ 76,700	\$ 76,700
2) 6" wastewater line pipe burst at the Best Western Motel on U.S. Highway 281 (approximately 400 L.F.)	\$ 118,000	\$ 194,700
3) Reroute existing 6" wastewater line from the Dairy Queen to Scofield Drive (approximately 840 L.F.) and Slipline existing 6" wastewater line crossing U.S. Highway 281 (250 L.F.) See Note 1	\$ 236,000	\$ 430,700
4) 6" wastewater line pipe burst on W. Pecan Drive from Avenue "O" to Avenue "N" (approximately 350 L.F.)	\$ 82,600	\$ 513,300

**Notes:**

1. This wastewater line realignment Project is dependent on the existing wastewater lines being at adequate depth to allow gravity wastewater flow. Potholing of the existing wastewater line at the Dairy Queen and surveying to determine the elevation of this wastewater line and the existing manhole depth on Scofield Drive is required.
2. Available Grant Funds: \$528,031.86.
