Subject: REMINDER: Deadline Approaching  
Importance: High

Good afternoon,

The deadline to sign on to the Endo and Teva opioid settlements, March 10, 2022, is fast approaching. If your subdivision would like to participate in the Endo and Teva settlements and has not yet submitted the necessary documents, please so do as soon as possible to ensure your participation is confirmed.

To participate in these two settlements, your subdivision must submit:

1. Endo Subdivision Release Form
2. Teva Subdivision Release Form
3. Resolution adopting the Texas Term Sheet **\*\* (Only if you have NOT already submitted a resolution)\*\***

#### FREQUENTLY ASKED QUESTIONS

1. My subdivision already signed up for opioid settlements, is that good enough for this settlement?  
No, you will need to submit the Teva Subdivision Release Form and Endo Subdivision Release Form specifically for this settlement; opting in to the other settlements do not sign you up for this one.
2. Does my subdivision need to pass a resolution to sign up for this settlement?  
This depends on the specifics of what your county or city is required to do to release legal claims. You may need to set the settlement(s) on your consent agenda. On the other hand, if your city manager, for example, is authorized to generally enter into opioid settlements, you may not need a resolution. Consult your legal counsel for advice. If your subdivision has already adopted the Texas Term Sheet to sign on to a previous opioid settlement, you do NOT need to adopt an additional resolution.
3. When will my subdivision receive funds from this settlement and/or the other settlements?  
Funds for the Distributors, J&J/Janssen, Endo, and now Teva settlements are still on track to being paid out in March or April of this year. We will provide updates when we have more information.
4. How much will my subdivision receive from the Teva Settlement?
