Subject: A couple of things

My Zoning Permit for the BBQ pit in the city easement expires on May 2 and I need to have it renewed. I inquired with my landlords about putting it behind the building and they said they would do it, but it would double my rent. I cannot afford that. I am actively looking for an alternative location to conduct my business but until I find that, I will need to have my BBQ pit where it is currently.

Also, I am going to only have local famers or vendors that have already filed a vendors permit with you at the scholarship fundraiser, so if I could get the approval ASAP so I can get the word out, I would appreciate it.

Thank you,

Tim Jung
