Re: Fireworks Show Saturday, July 1, 2023.

This is to acknowledge and confirm booking of your 10 minutes Fireworks Display on Saturday, July 1, 2023 at approximately 9:15 PM.

Location: TBA  
Johnson City, Texas 78636

This will be an aerial display where we furnish the insurance in the amount of \$1,000,000.00, Labor, Transportation, a Licensed Pyrotechnic Operator, Permits, Clean Up and all necessary equipment for firing display. We furnish everything except the firing site and security which the venue must provide. The display will be electronically fired with a duration of approximately 10 minutes with a large Finale at the end. If inclement weather cancels the show, a rain date will be agreed upon by both parties.

The total price of the display is \$5,400.00 (Five Thousand Four Hundred Dollars.). A deposit of 50% (\$2,700.00) is due upon signing of the contract. The balance is due no later than June 25, 2023 payable to American Fireworks, P.O. Box 64, Bastrop, Texas 78602. If you agree to the terms, please sign and return this contract by fax, email, or mail to confirm the booking of this display.

Thank You for allowing us the HONOR of accommodating your Independence Day Celebration.

Sincerely,

Steve "Coach" Davis  
Director of Pyrotechnic Displays

**§ 5.04.004. Public displays.**

- (a) Permit required. Any adult person or any firm, co-partnership, corporation, or association planning to make a public display of fireworks shall first make written application for a permit to the fire marshal of the city at least forty-eight (48) hours in advance of the proposed display.
- (b) Application; fee. The application for a permit shall contain the information required on the application incorporated in Ordinance 92-008 and shall be submitted along with a nonrefundable fee of \$50.00.
- (c) Investigation by fire marshal. It shall be the duty of the fire marshal to make an investigation as to whether such a display as proposed by the applicant shall be of such a character that it may be hazardous to property or dangerous to any person, and he shall in the exercise of reasonable discretion grant or deny the application, subject to such reasonable conditions, if any, as are described below.
- (d) Denial. If the application is denied by the fire marshal, he shall notify the applicant of the denial in writing. Such notice shall be effective when sent by U.S. mail to the address listed upon the application or delivered personally to the applicant or the applicant's address listed upon the application.
- (e) Issuance; term; transfer. If the application is approved, a permit shall be issued for the public display by the fire marshal. Such permit shall be for a period of time designated on the permit but shall not exceed fourteen (14) days, and the permit shall not be transferable.
- (f) Conditions. The following terms and conditions are specified and shall be binding upon the issuance of a permit to display fireworks:
  - (1) The display shall be limited to an aerial display.
  - (2) The range of aerial display shall not be more than two hundred (200) feet and [fireworks] shall be discharged vertically from steel tubes.
  - (3) The limit of display shall not be more than 1 hour per performance and there shall not be more than two (2) performances in each twenty-four (24) hours.
  - (4) The material to be used for the public display shall not be stored within the city limits but shall be brought in on the day of the public display and then shall be taken immediately to the place of display for further handling and storage.
  - (5) No public display of fireworks shall be of such a character and so located, discharged or fired as to be hazardous or dangerous to persons or property, and the determination of such shall be within the sound discretion of the fire marshal.
  - (6) The person or persons handling the display of fireworks shall be competent adult persons approved by the fire marshal issuing the permit, and no other persons than those persons approved by the fire marshal shall handle the

fireworks of the public display. The names of the operators shall be designated on the permit issued.

- (7) The applicant for such display permit shall at the time of application furnish proof that he carries workers' compensation insurance for his employees as provided by the laws of the state, and he shall file with the fire marshal a certificate of insurance evidencing the carrying of public liability insurance in an amount no less than one hundred thousand dollars (\$100,000.00) issued by an insurance carrier authorized to transact business in the state for the benefit of the person named therein as assured, and rated "A" by Best, as evidence of ability to respond in damages in at least the amount of one hundred thousand dollars (\$100,000.00), such policies to be approved by the fire marshal, or, in lieu of insurance, the applicant shall file with the fire marshal a bond in the amount of one hundred thousand dollars (\$100,000.00) issued by an authorized surety company to be approved by the fire marshal or his designee for financial soundness, conditioned upon the applicant's payment of all damages to persons or property which shall or may result from or be caused by such public display of fireworks or any negligence on the part of the applicant or his agents, servants, employees or subcontractors in the presentation of the public display.

(Ordinance 92-008, sec. 4, adopted 9/1/92)
