Subject: Re: City Council Meeting Follow Up

Good Afternoon Rick,

Please see the attached document.

For the project based items, I was not sure how would work best for the city; 50% upfront with remaining due upon completion or monthly installments? I anticipate all of the items listed to be completed within three months from the start date.

The monthly fee would not take effect until the project items are completed.

Please let me know if you have any questions or concerns.

Best regards,
