Public Works Report December 2023

The Wastewater Treatment Plant discharged an average of 119,000 gallons per day.

The Department metered 3,600,000 gallons of water for the month. The wells ran approx. 5 hrs. per day.

The SCADA System and well logs indicate that approx. 11,000,000 gallons of water were pumped in December. Comparing the metered gallons sold to the gallons pumped indicates a lost of approx. 67%.

On S. Ave. F, the City replaced a hot tap valve on the water main going from the Water Tower to the leak in front of the Housing Authority. The Department is now able to shut the water main off to make the necessary repairs. The repairs will be completed shortly.

Personnel

On December 12th, Michael Pavlov resigned his position as a Police Officer with the Johnson City Police Department.

Public Safety

On December 1st, Officer Chad Wiggins initiated a traffic stop on a black Nissan Altima for a registration violation. During the stop, Officer Wiggins developed reasonable suspicion to believe marijuana might be present inside the vehicle. Officer Wiggins requested Chief Allen to make the scene. When back-up officers arrived, Officer Wiggins informed the driver that he detected the odor of marijuana coming from the vehicle and asked the driver to turn the vehicle off and step out. Instead of complying with officers' requests, the driver sped away from the stop at a high rate of speed. The driver traveled North on Ave N to the dead end, made a U-turn and fled south on Ave N towards West Main St. Johnson City Officers were now behind the vehicle and a pursuit was initiated. The driver continued east bound on Main St to HWY 281 and turned south. Approximately two miles south of the city limits, the driver turned his vehicle off the highway and ran through several fences onto a ranch. The vehicle continued deeper into the property until it crashed in a cedar tree and became disabled. The driver fled on foot and was captured a

Mr. Rick Schroder
City of Johnson City
303 E. Pecan Dr.
Johnson City, TX 78636

Dear Mr. Schroder and JC Board.

I am Secretary/Treasurer of the Blanco County Cat Coalition, Inc. and I will provide this information as requested. We have been pretty busy this month.

For the month of December 2023, BCCC, we had a few more appointments available and were able to "fix" 15 cats within the City Limits of Johnson City. These cats also received the Rabies vaccination and the FVRCP injections.

Sincerely,

Karen C. Dye
