

3b

**Public Works Report
February 2024**

The Utility Department discharged 135,000 gallons per day (average) of effluent at the Wastewater Treatment Plant. The Department received no violations.

The Department pumped 8,237,000 gallons of water and sold 3,302,000 gallons of water, resulting in a 58% loss ratio.

On 2-25 24 at 7:55 pm, the System had a power surge that shut down the SCADA system. Everyone at City Hall got the text alert that the System was down. Our SCADA company, Trac-n-Trol, received the alert, as well, and was able to remotely bypass the Programable Logic Controller (PLC). City Staff operated the wells and pumps manually until the SCADA system was corrected. The issue lasted approximately 4 hours.

Public Works Director
B.J. Sultemeier

Visitor Center Report February 2024

In the month of February, the Johnson City Visitors Center had the following:

- 52 groups of visitors
 - 35 families; 17 individuals
 - Most visitors were from Texas:
Austin, Houston, San Antonio, Driftwood, Dripping Springs, Seguin, Ft. Worth/Dallas, Abilene, Tyler, Boerne, Brady, and San Angelo.
 - We had a group from (2) Massachusetts, (2) New Jersey, (2) Arizona, Illinois, Minnesota, Iowa, Kansas, Florida, Alabama, Colorado, and Australia.
 - A few locals stopped in to drop off brochures or get ahold of the Chamber of Commerce, grab brochures for local Air bnb's, and we had someone come in looking for job opportunities.
 - We had only two groups think we were the National Park Visitor Center/ Headquarters.
 - We only had one lady leave after realizing we were not a general store (a lot less than January).
 - Most of our visitors came in to look at the brochures we had, and to ask about the shopping/ boutiques we have in town; I got many people saying they were "just wandering around". I am currently exploring ways that I can engage with visitors more after hearing that statement.
- Roughly 32 calls total
 - 24 incoming Calls answered
 - Around half of the callers were trying to reach the Chamber of Commerce
 - The others wanted to know information on the following:
 - What we had for Eclipse events, and where to find glasses, or merch
 - Any estate liquidation services in the area
 - People that could help sell property
 - Portable toilet rentals for a funeral at Miller Creek cemetery
 - Information for Hill Country Wine Tours
 - Whether or not we mail information out

- 
- If we had any new magazines
 - What the HOT taxes go towards
 - Information on Savor the Hill Country Wine event
 - If there were any good places in town for team-building activities
 - Someone had me help them find an alternate route to Austin from El Paso.
- We only had two wrong number dials

In the month of February, the Visitor's Center introduced two more posters with grommets that were hung on the front rails. The posters contain a QR code that brings you to the explorejctx.com website and have arrows pointing to the entrance.

Card racks from the chamber were moved to the front of the building, so when visitors walk in, they immediately see some of the businesses the town holds. We are also working on reaching out to local businesses so we can carry brochures or information on them.

We now have the phone, laptop, and printer set up!

Our alarm system currently is still not working due to the sprinkler system damage during the last freeze. Rebecca Renaud from the National Park sent out an email detailing how there will be some time before this issue can get resolved.

February 29, 2024

Mr. Rick Schroder
City of Johnson City
303 E. Pecan Dr.
Johnson City, TX 78636

Dear Mr. Schroder and JC Board:

I am Secretary/Treasurer of the Blanco County Cat Coalition, Inc. and I will provide the Trap/Neuter/Return, (T/N/R) and Vaccination information as requested.

For the Month of February 2024, BCCC, Inc. trapped, spayed/neutered, vaccinated and returned a total of 3 cats. They all seemed to be in good health. These were cats within the City Limits of Johnson City.

I hope this is the information you needed.

Sincerely,

Karen C. Dye, Sec/Teas
