Item 7 **PUBLIC HEARING / PRESENTATION**

Item 7A **YEO & YEO FINANCIAL STATEMENT REPORT**

Michael Rolka with Yeo & Yeo CPAs gave a brief presentation of the audit results. The results indicate that the financial statements for the Township are completely and accurately reported and that sufficient internal controls are in place.

A five-year trend line proves that revenues have exceeded expenses, and shows that the Township has been doing well with budgeting and living within means. He gave detailed information about some of the revenue and expense areas.

Mr. Rolka reported that there were no material weaknesses. He did make recommendations for complete, written sets of policies and procedures for federal funds and escheat policies and procedures.

Trustee Leuty expressed his appreciation for the positive comments about internal controls and the recommendation for written policies and procedures. Trustee Glass commented that the policies and procedures will be utilized as we move forward in grant processes. Supervisor Martin asked for clarification of what amount of ARPA funds received requires an audit.

Item 7B **2021 BUDGET REVIEW**

Finance Director Nancy Desai gave a brief review of the 2021 budget. She highlighted several areas of revenues and expenses and their performances. Goals moving forward include determining fiscal priorities, navigating through the low interest rate climate, and returning to full Township services such as passport acceptance.

There was discussion among the Board about revenue received from passport services, what providing those services entails for staff and traffic in and out of the building. Suggestions were made to continue those services by appointment, with an emphasis on finding a way to give priority to Township residents. Treasurer Miller inquired about resuming room rental services. Supervisor Martin stated there are no plans to resume that service, as the revenue does not exceed the expenses to clean and maintain the community rooms.

Item 8 **UNFINISHED BUSINESS**

None.

Item 9 **NEW BUSINESS**

Item 9A **REQUEST TO APPROVE EVIDENCE UPGRADE AND ROOM CONVERSION**

Lieutenant Darien Smith made a presentation on the Fitness Room proposal.

The long term evidence storage space is ideal for a fitness room, fitness room is ideal for evidence room. We have a health management fund, a private donation, an employee fitness room fund, and police capital funds for evidence room changeover (\$75,000). There are some window leaking issues, garage door replacement, paint, and roof. We also need HVAC in that room.

Trustee Leuty wants to balance today's needs with long term planning, if we may be planning to move in the future. Officers believe fitness is important, as shown by willingness to contribute from fitness fund. Trustee Glass asked if we were using grant money for this project. Lieutenant Smith said PAR Plan grant is only grant money (\$5000), we would show them the finished product and get the grant, if available.

Supervisor Martin cited power failures and other issues, we must put money in to continue to exist.

Manager Mitchell said this would be available to all staff, not just police.

Treasurer Miller is in favor. The Evidence Room is accessible from outside, will move inside. Fitness is her passion.

Trustee Leuty moved, seconded by Treasurer Miller, to approve the proposal (not to exceed \$145,000), and give authorization to seek PAR Plan grant.

Trustee Moaiery sees that the Fitness Room will improve quality of life.

Roll call vote, (5-0), (2 absent). Motion carried.

Item 10 ITEMS REMOVED FROM THE CONSENT AGENDA

None.

Item 11 BOARD MEMBER REPORTS

Trustee Leuty said that at the Planning Commission meeting half were wearing masks, half not. On May 19 county COVID level changed from low to medium. KABA approved their financial statements, Kalamazoo Township parks are being used. Planning Commission met last Thursday, approved a site plan to convert the former Family Video location to Lighthouse Autism Center. There is a survey under "engage" on our website to connect to a survey monkey for public input for master plan. Planning and Zoning administrator is working on text for home occupation ordinance.

Supervisor Martin said this has been a busy year for fire and police. We have seen lots of use of parks. We previously got quotes for repairing tennis courts at Grand Prairie and also the golf course parking lot. ARPA funds may be used, getting quotes. Pickleball courts may be a possibility.

Item 12 ATTORNEY'S REPORT

MTA reported about veteran's exemption for personal property tax. Bills through Senate to provide an income tax credit to put additional burden on the State. There is property available on Schuster with a lien that we could purchase on tax sale.

Item 13 MANAGER'S REPORT

The mission of Kalamazoo Township is to provide government services that promote a safe, healthy, accessible, and economically viable community to live, work, learn and play.

POLICE SERVICES AGREEMENT

The Agreement is made this 1st day of July, 2022, by and between the City of Parchment, a Michigan municipal corporation, 650 S Riverview Drive, Parchment, Michigan (hereinafter "City"), and Kalamazoo Charter Township, a Michigan municipal corporation, 1720 Riverview Drive, Kalamazoo, Michigan (hereinafter "Township").

Whereas, Act 35 of the Public Acts of 1951 (MCL 124.1 et seq) in pertinent part authorizes a municipal corporation to contract with one or more other municipal corporations for the performance, jointly or by any one or more on behalf of all, of any service which each would have the power to perform separately; and

Whereas, the Parchment City Charter requires the City to provide police protection services within the City; and

Whereas, the City administration recommends and the City Commission finds that the most effective method of continuing to provide police protection services within the City is to contract with Kalamazoo Charter Township to have Township police officers be sworn as and serve as Parchment police officers on a contractual basis; and

Whereas, the City and Township have previously, entered into agreement(s) to allow the Township police department to provide and undertake police protection services in the City; which agreement(s) are due for renewal and which both the City and the Township have deemed to be satisfactory and mutually beneficial; as such the City and the Township reaffirm their commitment to one another in providing professional police services to our community, and

Whereas, the City wishes to enter into an agreement with the Township by which the Township would provide police protection services within the City.

NOW THEREFORE, in consideration of the promises, covenants and conditions hereinafter contained, it is hereby agreed by and between the parties hereto as follows:

1. The City hereby calls upon the Township to furnish, and the Township agrees to provide, police protection services within the City, subject to the terms and conditions contained in this Agreement.
2. Commencing July 1, 2022, the Township shall have a Township police officer assigned to patrol within the North District during the Township Police Department's day and afternoon patrol shifts on a daily basis. In addition, the Township's Police Department shall provide full police services to the City during the midnight shift. The Township agrees to provide the necessary associated personnel and equipment in support of the police services provided hereunder.

Furthermore, the Township agrees that there will be no additional charge to the City when more than one officer is needed on calls for service; for officers held past the end of their shift on overtime to complete work; for detectives; crime scene technicians, or when staffing allows for additional officers provided out of existing scheduled staff.

3. Township police officers providing police services pursuant to this Agreement shall also be sworn as officers of the City of Parchment.
4. Township officers assigned to provide police protection services pursuant to this agreement shall enforce City ordinances as well as State law. Officers will be assigned to perform ordinance enforcement in the City of Parchment. The assistance, at this time, will consist of identifying violations, resolving ordinance violations, issuing citations and appearing in court. The officers will be a liaison to the City on ordinance enforcement activities.
5. The police protection services provided hereunder shall include the continuation of community outreach and proactive programs directly to the Parchment Schools.
6. At the request of the City, the Township shall provide supplemental police services to the City. The City shall pay the Township over and above the sum set forth herein for such services in accordance with this paragraph. The rate for supplemental services, shall be one and a half (1 ½) times the assigned officers' regular rate(s) and shall include a fringe benefit rate which shall include the additional fringe benefit amounts calculated on the basis of the police contract (FICA, work comp., etc.).
7. In an effort to identify any cost adjustments that occur with the negotiation of the collective bargaining agreement (CBA) with the Township and the Kalamazoo Township Police Officers Association (KTPOA), the parties agree that it is advantageous that this Agreement shall be for a term of four years; with an option for one (1) three-year (3-year) extension to be exercised in accordance with paragraph D of this Section.

This agreement shall begin on July 1, 2022 and conclude on June 30, 2026; or on June 30, 2029 if the extension is exercised.

The City agrees to pay the Township \$440,214.00 for the first year of police service rendered hereunder, such sum to be paid in 12 equal monthly installments beginning July 1, 2022, and on or before the first day of each month thereafter until paid in full.

- A. This cost reflects the officer's wage estimated at the CBA's Police Officer 6 (PO-06) rate, along with ancillary costs.
- B. Future costs will reflect an annual step rate used for the estimated wage, up to the highest police officer rate within the CBA; currently PO6. Future costs will also reflect any change in wages resultant from any future collective bargaining agreement contracts with the Kalamazoo Township Police Officer's Association.

- C. By no later than May 1 of each year of this contract and any exercised extension thereto under paragraph D herein, the Township shall provide the City with a written statement of the cost to the City for police services for the upcoming term, which cost will be payable as prescribed in section B. The City shall pay the costs of police services in 12 monthly installments commencing on July 1st of each year as identified in this paragraph 7.
 - D. If mutually agreed upon, this agreement may be extended for an additional three-years beyond its initial 4-year term under the same terms and conditions as written here. The City shall notify the Township of its desire to exercise its extension option by no later than April 2, 2026. If the option is not exercised, this Agreement shall expire of its own accord on June 30, 2026.
8. It is recognized and agreed that during the course of the 4-year term of this contract and a 3-year extension, if exercised, the cost of the police services provided hereunder may increase due to outward circumstances beyond the Township's control. Such cost increase may be temporary or permanent. If the Township expects to experience or experiences extraordinary cost increases in providing policing services; it shall notify the City of an unexpected cost increase and the reason for it; as well as the duration of such cost increase in providing policing services at the same level not less than 60 days prior to the effective date of such cost increased. During said 60 days, the City may opt to pay the cost increase, or to attempt to negotiate a reduction in the level of policing services provided hereunder. If a reduction in services is agreed on, the parties shall execute an addendum to this agreement indicating the adjustment in services.
 9. The Township agrees to prepare and present a quarterly and annual report of law enforcement activity performed by Township police officers within the City pursuant to this Agreement. The Township further agrees to prepare and submit to the State of Michigan such reports as the State may require with regard to the police services rendered under this Agreement. The Township further agrees that it will maintain and provide records of the police services rendered under this Agreement for the same time and in the same manner as it does for Township records.
 10. All Township police officers providing service to the City pursuant to this Agreement shall remain directly accountable to the Township through its Police Chief.
 11. The legal representation of the City in any judicial proceedings involving a violation of a City Ordinance shall be conducted by the City Attorney, and the cost of such legal representation shall be borne solely by the City.
 12. The Township Police Chief or their designee of the department will participate in the Parchment Public Safety Committee Meetings every six months, as scheduled and noticed by the City Manager.

13. The Township covenants and agrees, to the greatest extent permitted by law, to defend, indemnify and hold harmless the City and its officers and employees from any and all claims, suits, damages, loss of liability which may occur arising out of any and all claims of negligence or wrongdoing by the Township, its officers or employees in connection with the performance of this Agreement. The City covenants and agrees, to the greatest extent permitted by law, to defend, indemnify and hold harmless the Township and its officers and employees from any and all claims, suits, damages, loss or liability which may occur arising out of any claims of negligence or wrongdoing by the City, its officers or employees in connection with the performance of this Agreement. The foregoing shall not be considered a waiver of governmental immunity attributed to the City or the Township or its officers or employees.
14. The Township agrees that throughout the life of this Agreement it shall cause the City, its officials and employees to be named as additional insureds on the general liability, motor vehicle liability and police professional liability insurance coverage held by the Township. The City agrees that throughout the life of this Agreement, it shall cause the Township and its officers and employees to be named as additional insureds on the general liability and police professional liability insurance coverage held by it. Both the City and the Township agree that it shall not reduce its aforementioned insurance coverage during the life of this agreement.
15. This Agreement may be terminated for material breach only after the other party is given written notice of the alleged material breach and allowed 30 days to remedy the same.
16. Any waiver, alteration or modification of any of the provisions of this Agreement shall not be valid unless in writing and executed by the parties with the same formality as this Agreement. Any waiver by any party of any provision of the Agreement or any right or option under this Agreement shall not be controlling, nor shall it prevent or estop such party from thereafter enforcing such provision, right or option. The failure of any party to insist in any one or more instances upon the strict performance of any of the terms or provisions of this Agreement by another party shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect.
17. No provision in this Agreement is to be interpreted for or against any party because that party or that party's legal representative drafted the provision.
18. This agreement was drafted in Michigan and it is agreed that Michigan law shall control. This Agreement constitutes the entire agreement of the parties. All other prior or contemporaneous agreements, understandings, representations and statements, oral or written, are hereby terminated.
