TABLE OF CONTENTS

THANK YOU

A special thank you to our American Legion Post 598 who generously donated a total of \$19,500 to KPD in 2023, which provided us with 13 brand new AED's to be carried in our cruisers. Their donation has allowed our officers to be ready to assist our community during emergency situations, as there are times officers arrive to the scene before paramedics. Thank you!

WELCOME FROM THE CHIEF

Dear Citizens, Friends and Colleagues:

On behalf of the Kettering Police Department, I am pleased to present our 2023 Annual Report. The dedicated staff of the Kettering Police Department continued to partner with citizens, city government and other area law enforcement agencies to improve the quality of life in the community by providing high quality professional police services. As we move forward into 2024 as a community and as a police department, we remember and reflect on 2023.

The Kettering Police Department completed the four year accreditation period and received the highest award for law enforcement and public safety communications. We received our eleventh Meritorious Advanced Law Enforcement Accreditation with Excellence Award and our fourth Communications with Excellence Award.

This annual report includes an overview of the Kettering Police Department and the many critical services it provides, along with valuable information on the volume and nature of calls for service received. We hope to exhibit the exceptional service that the men and women of the Kettering Police Department provide to this incredible city.

The Kettering Police Department, with the assistance of a donation made by a Kettering charitable organization, was able to purchase thirteen new Automated External Defibrillators (AEDs) to be placed in the police cruisers.

The Kettering Regional Special Response Team was able to procure a public safety robot which will assist both SWAT and Patrol Operations. The use of the robot will assist with the safety of the SWAT members, Patrol Officers and the citizens.

The Kettering Public Safety Training Center was completed in 2023. The center will assist in the training of both Kettering Police Officer and Kettering Fire Fighters. The center will also be utilized for training opportunities for civilians to include the Kettering Citizens Police Academy and the Kettering Leadership Academy. In addition to training, the center will also house a Digital Forensics Laboratory to assist with investigations.

After serving the longest and most successful career in Kettering's K9 history, K9 Jax retired in June from the Kettering Police Department. K9 Bolt is the newest addition.

We said goodbye to six employees who retired. We hired nine new patrol officers, 2 dispatchers and 2 dispatch supervisors. We are very pleased that we had one Captain, one Lieutenant and two Sergeants promoted. Even with these changes, Kettering Police Department remains a stable, dependable organization that is dedicated to making this city a safe and enjoyable place to call home.

The men and women of the Kettering Police Department are passionate about serving you, and I am grateful for the outstanding service they provide this city. We hope that you enjoy our 2023 Annual Report and reading about our Department, our employees, and some of our successes. We also invite you to visit us through our city website at www.ketteringoh.org.

Sincerely,

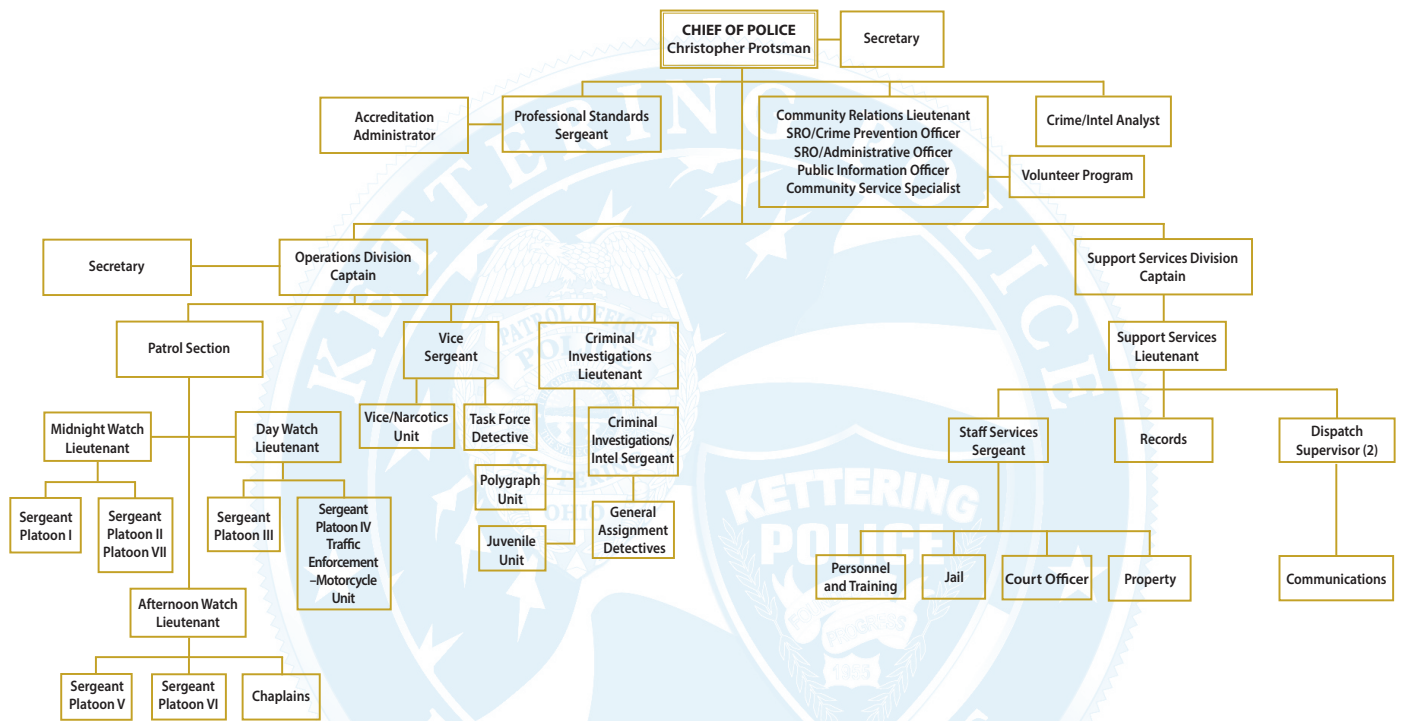

Christopher N. Protsman
Chief of Police

K9 TEAMS

Our K9 Unit continues to be a highly trained and successful unit. Several incidents throughout the year would not have resulted in charges of suspects without the deployment and success of the K9 team.

PTL. STULL/K9 OX

On July 30, 2023, Ptl. Stull and K9 Ox were dispatched to assist Miamisburg PD on tracking a suspect that fled a traffic stop. Ptl. Stull deployed K9 Ox at the last location the suspect was seen. K9 Ox quickly went into tracking posture and led Ptl. Stull north-west from the start location, leading into and through a gravel construction lot towards a fence. Once at the fence, K9 Ox indicated he needed over to continue. Ptl. Stull was able to lift an area of the fence nearby for K9 Ox to crawl under, where he continued the track into a large wooded area. Just after cresting the wood line, K9 Ox stopped and indicated to an article (suspect's cell phone). The track continued through thick brush for a long distance. During this time, Miamisburg PD got a drone up. The drone operator began checking ahead of the direction of the track and noticed the suspect was lying in brush just up ahead of Ptl. Stull and K9 Ox. An approach was made, leading to commands being given that the suspect followed and was taken into custody with no further incident. The total length of the track was 1010 yards.

PTL. HALL/K9 THOR

On February 7th, 2023 at approximately 1050 hours, K9 Thor and Ptl. Hall were requested by Ptl. McCoy for a track of a suspect wanted for a Parole Violation warrant for aggravated robbery. The suspect fled from a vehicle, which Ptl. McCoy had stopped in the area of Smithville Road and Tabor Avenue. The male was also the suspect in several armed robberies at Sinclair just a few weeks prior. Upon arrival, a last known direction of travel was established, and numerous officers and detectives worked together to secure a perimeter. After tracking for approximately 3/4 of a mile, K9 Thor lifted his head and began air scenting towards a house on Alta Vista. Ptl. Hall looked in the direction that K9 Thor was air scenting, and he observed the suspect climbing over a fence. Verbal commands were given for the suspect to stop or he would be bit, but the suspect failed to comply and fled on foot. Ptl. Hall gave Thor a command to apprehend the suspect, as he had an approximately 50 yard lead on the officers. Thor quickly caught up to and apprehended the suspect, who attempted to hide in nearby bushes. The suspect was taken into custody for his parole warrant and later indicted for the recent robberies.

PTL. HARPER/K9 BOLT

On October 22, 2023 at approximately 2333 hours, Ptl. Harper and K9 Bolt responded to the Stonebridge Apartments in Beavercreek off of E. Stroop Rd. to assist Beavercreek PD in locating a wanted subject. Beavercreek PD had responded to the complex earlier in the evening for a disturbance call when they learned that a male involved had an entered warrant. The male had already left the area, and officers told nearby residents if they observed him return, to call back.

The male later returned to the complex, and officers responded back out. Upon their arrival, the male again fled on foot into a wood line. Ptl. Harper and K9 Bolt responded to help locate the male by an area search. Upon entering the wood line, K9 Bolt's behavior changed, indicating the presence of human odor. While searching a very thick wooded area, the subject was initially unable to be located. As the search continued, Bolt again showed behavior consistent with him being in the presence of human odor. Bolt would periodically put his nose into the air which told Ptl. Harper the human odor was coming from above. Ptl. Harper used his flashlight and was able to locate the subject hiding only a few feet away, about 10 feet high in a tree. The male was called down from the tree and was taken into custody without incident.

Chief Protsman with Dispatch Supervisors Rachel Myers and Cynthia McKenzie

K9 JAX

In the fall of 2015, KPD selected K9 Jax from Shallow Creek Kennels to be the 14th Police K9 in Kettering K9 history (36 years), and Ptl. Devin Maloney was selected as his handler. Together, they formed a team that has been arguably the most successful K9 team in KPD K9 history.

Ptl. Maloney and K9 Jax have paved the way, through creating a legacy matched by none, for the K9 teams that have followed.

Their success will constantly be referred to as goals for achievement for all future teams. This legacy was built by becoming the longest serving K9 Team (almost 8 years), most utilized K9 Team (almost 800 uses), over 20 firearms removed from the street, over 80 criminals located through patrol uses and in excess of 400 arrests (from patrol and narcotic uses). These numbers are the highest obtained by any previous or current K9 handler in KPD K9 history.

After a long and illustrious career, K9 Jax is being retired effective June 30, 2023. Ptl. Maloney and K9 Jax will be missed as a team but not forgotten, for what they have taught this department and the other K9 teams will live on forever. Thank you both for your service to the Kettering Police Department and K9 Unit. It's now time for K9 Jax to enjoy relaxing with the love and attention of the Maloney family.
