

GOOD NEIGHBOR

Do you have a neighbor who volunteers when no one else will, lends a helping hand without being asked, whose efforts both large and small make your neighborhood and Kettering a better place to live? Please take time to nominate them for the **Good Neighbor Award**. Individuals who make our neighborhoods and our community such a special place to live often go about their good deeds without any special recognition. The Kettering Board

of Community Relations would like to recognize the Good Neighbors among us by presenting an award to thank members of the community who promote cooperation and goodwill throughout their neighborhood.

Winners will receive a special recognition by the Mayor during City Council meeting. All eligible nominees will be invited to an annual recognition celebration.

This year nominations will be due by August 31, 2024

Nominations are accepted in two categories: Adult (age 18 or over) and Youth (under age 18). All nominees must live in the City of Kettering. The activity for which the individual is nominated may not be part of paid employment or a required school activity. All nominees should exemplify a good neighbor.

Award Type: Adult (18+ years) Youth (Under age 18)

Nominee Information:

Name: _____
Address: _____
