

**Do you own a home
built before 1978?**

**You may be eligible for FREE home repairs
to address lead-based paint issues!**

If your household income under \$80,000 for a family of 2 or \$100,000 for a family of 4, this program offers a no-cost assessment and repairs to keep your home safe.

The Lead Safe Ohio Program provides lead prevention and mitigation for single-family homes constructed before 1978, ensuring your home is safe from potential lead hazards.

Eligible repairs on the following areas with chipping, peeling paint may include:

- Window and door replacement
- Siding, soffit, and fascia enclosure
- Porch component repair or replacement
- Auxiliary items necessary for lead mitigation

All repairs are FREE for eligible households!

Who is Eligible:

- Homeowners with low to moderate income
- Households with homes built before 1978

Applications will be prioritized based on:

- Households with children under 6 years old
- Low-to-moderate income households, particularly those experiencing housing insecurity
- Households earning less than 80% of the Area Median Income (AMI)

**This is a grant
program, and no
lien will be placed
on your property. All
services and repairs
are 100% free!**
