CONGRATULATIONS TO OUR 2016 NEIGHBORHOOD PRIDE AWARD WINNERS

Each year the City of Kettering celebrates the Neighborhood Pride awards in recognition of residential and business property owners who have gone above and beyond to improve and impeccably maintain their properties. In 2016, more than 300 nominations were submitted and reviewed by our Neighborhood Pride volunteer committee. All winners will be recognized by Mayor Patterson at the City Council meeting on September 27, 2016. For a full list of award winners please see the article in the Fall edition of [*Contact with Kettering*](#) magazine.

ROAD CONSTRUCTION UPDATE

KETTERING CITY COUNCIL MEETINGS

Kettering City Council meets the second and fourth Tuesday of each month at 7:30 p.m. in the Kettering City Council Chambers, 3600 Shroyer Road.

Every City Council meeting offers an opportunity for public comment, both regarding pending legislation and other matters. Council members genuinely appreciate hearing from our citizens.

Click here for more information and links to City Council meeting minutes and archived videos of City Council meetings.

HOW YOUR TAX DOLLARS ARE SPENT

The City of Kettering wants you to know how your tax dollars are spent.

The construction of the multi-use path and replacement of drive approaches on Stroop Road will be complete in coming weeks. The resurfacing of the roadway will be the final step in the project and should be complete by the end of November.

In early September, Montgomery County will begin a water main replacement project on Shroyer Road. The City of Kettering is coordinating closely with Montgomery County and the Kettering City Schools on this project which is expected to take 6-8 weeks. Following the completion of the water main project, Vectren will be installing a gas main under the walk on both sides of Shroyer Road. It is anticipated that this work will only require curb lane closures. The City of Kettering will be milling and paving Shroyer Road in the summer of 2017.

Both of these projects will require shifts in traffic flow, so please watch our [website](#), [Facebook page](#) and [Twitter](#) for the latest traffic updates.

DELCO PARK POND UPDATE

Earlier this year the Delco Park pond was drained substantially in order to complete improvements to the

We believe in financial transparency and making city financial information accessible for our residents is a priority for City Council and administration.

Our website makes it easy to access to detailed city financial information, including salary data. [Click here to learn more.](#)

WE NEED YOU!

The City of Kettering Board of Zoning Appeals is

pond edging. While the work on the pond is now complete, the lack of rainfall has delayed the restoration of water levels. Because of the drought, it is anticipated that the water levels will not fully return to normal level until 2017. As a result the City of Kettering parks department will take additional measures to ensure the maintenance of the pond area.

UPDATE ON CONSTRUCTION OF FIRE STATIONS

Fire Station 32 at 3484 Far Hills Avenue is fully operational and is surpassing expectations with regard to meeting the needs of the community.

Construction of Fire Station 36 at 4745 Hempstead Station Road is complete and in the final stages of preparation before becoming fully operational in September. In addition to being a 24/7 fire station, this facility will serve as Fire Department Headquarters, Emergency Operations Center, and our Backup Dispatch and Data Center.

Construction recently started on Fire Station 34 at 2575 Woodman Drive directly south of Tenneco.

Fire Station 37 will be located at 1300 West Dorothy Lane. The planning and design of this station is underway. Construction of this station is expected to begin during the summer of 2017.

PRUGH WOODS DEVELOPMENT UPDATE

seeking candidates to fill a vacancy.

The Board of Zoning Appeals considers requests from residents and business owners in Kettering related to enforcement of and variances to the zoning code.

Kettering residents interested in serving on the Board of Zoning Appeals are encouraged to submit an application by the close of business on Monday August 22, 2016.

EMERGENCY ALERTS

Did you know that in addition to our City of Kettering Facebook page and Twitter posts the City of Kettering uses a system called Code Red to notify our residents of emergency incidents and critical community alerts?

Please take a moment to enroll by clicking here.

PRCA FALL ACTIVITIES GUIDE

Construction is underway on the Prugh Woods development located at the intersection of Dorothy Lane and Prentice Drive near the Kettering Recreation Complex. The initial work will involve the clearing of the property to allow for construction of the access road and preparation of residential lots for home construction. The bulk of the heavy construction should be complete by the end of 2016, with the construction of new homes to continue in to next year as the home sites are sold.

The Prugh Woods development will include construction of a new access road to the Kettering Recreation Complex from East Dorothy Lane, which will be named Prugh Woods Drive. A multi-use pedestrian/bicycle pathway will be constructed along Prugh Woods Drive with a connection to Westcott Drive.
