KETTERING CITY COUNCIL MEETINGS

Kettering City Council meets the second and fourth Tuesday of each month at 7:30 p.m. in the Kettering City Council

ANSWERS TO YOUR QUESTIONS

In the weeks since this Proposed Ballot Issue mailing was sent to all registered Kettering voters, the City has received inquiries about the information provided in the letter.

We want our citizens to have the facts on these issues.

City Manager Mark Schwieterman gave a presentation at the July 12, 2016 City Council meeting that contained answers to your questions. [Click here](#) to learn more, to watch the video of the full presentation and to view the presentation slides.

HOW YOUR TAX DOLLARS ARE SPENT

The City of Kettering wants you to know how your tax dollars are spent.

We believe in financial transparency and making city financial information accessible for our residents is a priority for City Council and administration.

We are pleased to provide a new interface that creates user friendly access to detailed city financial information. Click here to learn more.

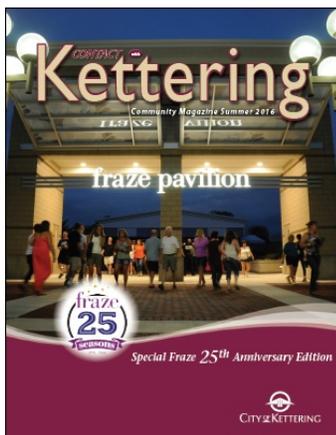

This week the property at 3705 Wilmington Pike was demolished as part of our Wilmington Pike Improvement Project.

The Wilmington Pike corridor is the backbone of our community and its vitality is central to the strength of our commercial success. We are investing \$10 million, with 95% of funds coming from grants, in infrastructure improvements to this roadway. The Wilmington Pike Improvement Committee, a group of business owners and community stakeholders, engaged in a strategic planning process to identify the most important challenges and promising opportunities for this essential corridor. Together with City staff they created a plan to regenerate investment and spur economic development.

KetterGreen Shred Day

Construction is underway on the Prugh Woods development located at the intersection of Dorothy Lane and Prentice Drive near the Kettering Recreation Complex. The initial work will involve the clearing of the property to allow for construction of the access road and preparation of residential lots for home construction. The bulk of the heavy construction should be complete by the end of 2016, with the construction of new homes to continue in to next year as the home sites are sold.

The Prugh Woods development will include construction of a new access road to the Kettering Recreation Complex from East Dorothy Lane, which will be named Prugh Woods Drive. A multi-use pedestrian/bicycle pathway will be constructed along Prugh Woods Drive with a connection to Westcott Drive.

POKEMONGO SAFETY

We love seeing so many people of all ages out in our parks playing PokemonGO! Please remember to be safe and keep your eyes up especially around roads, ponds and fountains. Never play while driving. Please respect private property and remember that our parks are closed from dusk to dawn. Being on private property or in a park after hours is prohibited.

EMERGENCY ALERTS

Did you know that in addition to our City of Kettering Facebook page and Twitter posts the City of Kettering uses a system called Code Red to notify our residents of emergency incidents and critical community alerts?

Please take a moment to enroll by clicking here.

The City of Kettering and the Kettering City Schools are proud to support **Preschool Promise** — a countywide effort to encourage preschool for ALL 4 year olds.

Montgomery County
Preschool
P R O M I S E

Preschool Promise offers tuition assistance for any Kettering family wishing to enroll their 4 year old in preschool. Assistance varies depending on family income and selected participating preschool provider.

To learn more visit PreschoolPromise.org.

The Preschool Promise Demonstration is made possible by generous support from: Montgomery County and additional funding from the Kettering City School District, the City of Kettering, the City of Dayton, Dayton Public Schools, The CareSource Foundation and ReadySetSoar/Learn to Earn Dayton.

CITY LAUNCHES ACCESS KETTERING

The *Access Kettering* tool, now available on the City of Kettering website, offers online access to many city services **24 hours a day, 7 days a week**. No more waiting for our offices to open to do business with the city. You can now apply and pay for a residential or commercial construction permit, report a property maintenance concern in your neighborhood, apply for a right of way permit, request a city service and more — all online at *your* convenience.
