- Please attend one training session before your scheduled dates.
- It is important to remember that these children will look up to you as a “big person,” someone whom they will trust and count on. They watch the things you do and say; therefore, volunteers must model appropriate behavior, wear appropriate clothes and use appropriate language.
- Volunteers will be given a detailed explanation of their responsibilities on the training day. Each volunteer will be assigned to a group of 5 - 7 children.
- No electronic device use allowed during class times.
- If you have any questions about the application process or the program, please contact us at [marc.rasor@ketteringoh.org](mailto:marc.rasor@ketteringoh.org) [Marc Rasor] or 937-296-2520.
