

*accessible***KETTERING**

Pledge

By signing this pledge, I recognize the importance of helping make the City of Kettering an accessible-friendly community. I hereby agree and commit to:

- Meeting and exceeding the minimal accessibility standards for my business;
- Keeping the Board of Community Relations (BCR) apprised of positive changes made to increase accessibility;
- Attending at least one "brown bag" lunch per year, which will be presented by the BCR, to discuss accessibility issues; and
- Keeping these expectations in effect for as long as we continue to display the accessible-friendly decal provided by the BCR.
